APPLICATION FOR PERMISSION TO FILE ADDITIONAL DOCUMENTS ON BEHALF OF THE PETITIONERS

TO:

THE HON'BLE CHIEF JUSTICE OF INDIA AND HIS COMPANION JUDGES OF THE HON'BLE SUPREME COURT OF INDIA

THE HUMBLE PETITION OF THE PETITIONER ABOVENAMED

MOST RESPECTFULLY SHEWETH:

1. This Petition, seeking Special Leave to Appeal under Article 136 of the Constitution of India, is filed against the impugned final judgment and order dated 24.07.2023 passed by the Hon'ble High Court of Judicature of Bombay at Goa in PIL Writ Petition No. 15 of 2022. The contents of the same may kindly be read as part and parcel for the present application and have not been repeated herein for the sake of brevity.

2. The Applicants are filing the present Application seeking permission to place on record certain addition documents which have an important bearing on the present case.

3. The Applicants by way of the present Application are seeking to place on record Additional Documents namely:

   a) A copy of the notification issued by Petitioner No. 1 under Section 18 of the Wild Animals and Wild Birds Protection Act, 1965 for a Game Sanctuary popularly known as Mollem Game Sanctuary is annexed hereto and marked as **Annexure P-1 [Page No. 8 to 19].**

   b) A copy of the notification issued by Petitioner No. 1 under Section 18 of the Wild Animals and Wild Birds Protection Act, 1965 for a Game Sanctuary popularly known as Cotigao Game Sanctuary is annexed hereto and marked as **Annexure P-2 [Page No. 20 to 24].**

   c) A copy of the notification issued by Petitioner No. 1 under Section 35 of the WLPA for Mollem National Park is annexed hereto and marked as **Annexure P-3 [Page No. 25 to 26].**

   d) A copy of the notification issued by Petitioner No. 1 under Section 18 (1) of the WLPA for a Wildlife Sanctury popularly known as Mollem WLS is annexed hereto and marked as **Annexure P-4 [Page No. - to 27].**

   e) A copy of the notification thereby notifying that the Wildlife Sanctuary popularly known as Mollem Wildlife Sanctuary was thereby named as Bhagwan Mahavir Wildlife Sanctuary

is annexed hereto and marked as **Annexure P-5 [Page No.** 28 **to** 29 **].**

f) A copy of the notification issued by Petitioner No. 1 under Section 26A of the WLPA thereby issuing final notification for Cotigao WLS is annexed hereto and marked as **Annexure P-6[Page No.** 30 **to** 35 **].**

g) A copy of the notification issued by Petitioner No. 1 under Section 18 (1) of the WLPA for Mhadei WLS and Netravali WLS is annexed hereto and marked as **Annexure P-7 [Page No.** 36 **to** 38 **].**

h) A copy of the notification thereby notifying that the National Park popularly known as Mollem National Park was thereby named as Bhagwan Mahavir National Park is annexed hereto and marked as **Annexure P-8[Page No.** 39 **to** 50 **].**

i) A copy of the circular dated 16 November 2007 issued by Respondent No. 2 to the Chief Wildlife Wardens of all Tiger Reserve States prescribing the minimum space needed to notify a Tiger Reserve is annexed hereto and marked as **Annexure P-9 [Page No.** 51 **to** 52 **].**

j) A copy of the Minutes of the Meeting dated 4th March 2013 held by Petitioner No. 2 is annexed hereto and marked as **Annexure P-10 [Page No.** 53 **to** 60 **].**

k) A copy of the notification dated 12th August 2016 constituting Petitioner No. 2 consisting of 31 members is annexed hereto and marked as **Annexure P-11 [Page No.** 61 **to** 66 **].**

l) A copy of the notification dated 11th November 2019 re-constituting Petitioner No. 2 is annexed hereto and marked as **Annexure P-12 [Page No. 67 to 70].**

m) A copy of the Action Taken Report dated 31st January 2020 issued by Respondent No. 2 on the death of the 4 tigers inside Mhadei WLS under the cover of an Office Memorandum dated 4th February 2020 is annexed hereto and marked as **Annexure P-13 [Page No. 71 to 74].**

n) A copy of the letter dated 4th June 2021 addressed by Petitioner No. 4 to Respondent No. 2 is annexed hereto and marked as **Annexure P-14 [Page No. - to 75].**

o) A copy of the Procedure for notification of a Tiger Reserve prescribed on Respondent No. 2's website is annexed hereto and marked as **Annexure P-15 [Page No. 76 to 80].**

p) A copy of the note dated 21st October 2022 issued by Petitioner No. 4 is annexed hereto and marked as **Annexure P-16 [Page No. 81 to 84].**

q) A copy of the notification dated 23rd May 2023 re-constituting Petitioner No. 2 is annexed hereto and marked as **Annexure P-17 [Page No. 85 to 88].**

r) A copy of the minutes of the meeting dated 12th July 2023 issued by Petitioner No. 1 is annexed hereto and marked as **Annexure P-18 [Page No. 89 to 97].**

s) A copy of the letter dated 3rd August 2023 addressed by Petitioner No. 4 to Respondent No. 2 is annexed hereto and marked as **Annexure P-19 [Page No. 98 to 99].**

t) A copy of the letter dated 8th August 2023 addressed by Respondent No. 2 to Petitioner No. 3 is annexed hereto and marked as **Annexure P-20 [Page No.** 100 **to** 101 **].**

4. The aforesaid documents are essential and necessary for the complete adjudication of the present proceedings.
5. That the present Application is bonafide and in the interest or justice.

PRAYER

It is therefore most respectfully prayed that this Hon'ble Court may be pleased to:

a. permit the Applicant/Petitioners to bring on record the Additional Documents marked as Annexure P-1 to P-20 in the present Application.
b. Pass such other and further orders as this Court deems fit and proper in the present circumstances of the Petition.

GOVERNMENT GAZETTE

BOLETIM OFICIAL

GOVERNMENT OF GOA, DAMAN AND DIU

Revenue Department

—

Notification

RD/TNC/RLS/415/67

The following draft rules which are proposed to be made under sections 54 and 61 of the Goa, Daman and Diu Agricultural Tenancy Act, 1964, are hereby published.

The draft rules would be taken into consideration after 23rd January 1968. Any person who has any suggestions or objections to the said draft rules may send them to the Revenue Secretary on or before the aforesaid date.

In exercise of the powers conferred by sections 54 and 61 of the Goa, Daman and Diu Agricultural Tenancy Act, 1964, the Government is pleased to make the following rules, namely:

CHAPTER I

Preliminary

1. Short title and commencement. — (1) These Rules may be called the Goa, Daman and Diu Agricultural Tenancy (Revenue Survey and Record of Rights) Rules, 1967.

(2) They shall come into force at once.

2. Definitions. — (1) In these Rules, unless there is anything repugnant in the subject or context —

(a) «Act» means the Goa, Daman and Diu Agricultural Tenancy Act, 1964.

(b) «boundary mark» means any erection, whether of earth, stone or other material, and also any hedge, unploughed ridge, or strip of ground, or other object whether natural or artificial, set up, employed, or specified by a survey officer or revenue officer having authority in that behalf, in order to designate the boundary of any division of land;

(c) «class of land» means any of the following classes of land, namely, dry crop, rice, garden land or non-arable land;

(d) «Collector» shall mean and include the Collector of the District of Goa, Collector of the District of Daman and the Civil Administrator of the District of Diu;

(e) «form» means a form appended to these rules;

(f) «Government lessee» means and includes a person holding land from the Government on emphyteusis or provisional concession;

(g) «holder» means a person lawfully in possession of land, whether such possession is actual or not;

(h) «holding» means a portion of land held by a holder;

(i) «survey mark» means, for the purposes of these rules, a mark erected for purposes of cadastral survey of land;

(j) «survey number» means a portion of land of which the area and assessment are separately entered, under an indicative number in the land records;

(k) «village» means a village as constituted under clause *(a)* of sub-rule (1) of rule 7.

(2) Words and expressions used but not defined in these rules, shall have the meanings assigned to them in the Act.

CHAPTER II

Revenue Survey of Land

3. Revenue Survey. — The operation carried out in accordance with the provisions of these Rules in order to admeasure land and for the preparation and preservation of record of rights connected therewith or for any other similar purpose in any local area is called a revenue survey. Such survey may extend to the lands of any village, town or city, generally or to such land as the Government may direct.

4. Government to direct revenue survey and appoint officers. — (1) Whenever the Government thinks it expedient so to do, it may, by notification in the official gazette, direct any or all of the following officers to conduct the revenue survey of any local area with a view to the preparation of record

of rights connected therewith or for the revision of any existing record of rights:

(a) Collector;

(b) Director of Land Survey;

(c) Sub-Divisional Officers;

(d) Mamlatdars;

(e) Survey Officers:

The Director of land Survey or the Collector may in turn and by a similar notification, appoint the following officers in respect of local areas as may be specified therein;

(a) Awal Karkuns;

(b) Circle Inspectors;

(c) Talathis.

5. Service from holders of land and village officers. — It shall be lawful for a Survey Officer deputed to conduct or take part in any such survey, to require by general notice or by summons, the attendance of holders of land and of all persons interested therein, in person, or by legally constituted agent duly instructed and able to answer all material questions, and the presence of taluka and village officers, who in their several stations and capacity are legally or by usage, bound to perform service by virtue of their respective offices, and to require from them such assistance in the operation of the survey and such service in connection therewith, as may not be inconsistent with the position of the individual so called on.

6. Assistance to be given by holders and others in measurement of lands. — It shall be lawful for a Survey Officer, while conducting surveys mentioned in the preceding rule, to call upon all holders of land and other persons interested therein, to assist in the measurement of the lands to which the survey extends by furnishing flag-holders and the like; and in the event of a necessity for employing hired labour for this or other similar object incidental to survey operations, it shall be lawful to assess the cost thereof, with all contingent expenses on the lands surveyed, for collection as a revenue demand..

7. Survey numbers. — (1) Subject to the minimum size of a survey number that may be fixed from time to time for the several classes of land by the Government, the survey officer may: —

(a) divide the lands to which the revenue survey extends into survey numbers and group the survey numbers into villages;

(b) recognise the existing survey numbers of plot numbers or lot numbers, reconstitute them or form new survey numbers or

(c) divide the survey numbers into as many subdivisions as may be required in view of the acquisition of rights in land or for any other reason.

(2) Every holding not less in area than the minimum fixed under sub-rule (1) shall be separately measured, classified and defined by boundary marks and entered in the land records as a survey number.

(3) Every holding less in area than the minimum fixed under sub-rule (1), shall be separately measured, classified and entered in the land records as a sub-division of that survey number in which it is directed to be comprised.

8. Entry of survey numbers and sub-divisions in records. — (1) The area and classification of survey numbers and sub-divisions of survey numbers shall be recorded in a book or embodied in a plane table map in such forms as shall be prescribed by the Director of Land Survey for such survey. The said books or maps shall be preserved as a record of the survey.

(2) The original measurement made by the subordinate survey officers employed for the purpose, shall be tested by the officers in charge of measuring establishments in such manner and to such an extent as the Director of Land Survey shall deem sufficient.

(3) Village maps shall be prepared under the orders of the Director of Land Survey, showing each survey number and its boundary marks and the sub-divisions of the survey number and their boundary marks.

9. Amalgamation of Survey numbers and Sub-Divisions. — (1) Any survey number or sub-division of a survey number may be amalgamated with any other coterminous survey number with the sanction of the Collector and, upon the application of the holder whenever all the parcels of land proposed for amalgamation are held by the same holder upon the same area.

(2) Any sub-division may be amalgamated without prior sanction with any coterminous sub-division of the same survey number held by the same holder upon the same area.

(3) When such amalgamation is affected, the two or more portions of land shall become one entry in the land record bearing the same distinguishing numbers as the first in series of the amalgamated area. Any boundary marks placed between the amalgamated holding shall be removed and the village map corrected accordingly.

10. Division of survey numbers into new survey numbers. — Where any portion of cultivable land is permitted to be used under orders of a competent authority, for any non-agricultural purpose, such portion may, with the sanction of the Collector, be made into a separate survey number at any time.

11. Maintenance of records. — For all lands which are surveyed under the provisions of these rules, it shall be the duty of the Director of Land Survey —

(a) to cause to be corrected any arithmetical or clerical errors whenever discovered;

(b) to cause to be incorporated punctually in the land records all changes in boundaries, areas, either of survey number or of their sub-divisions which are made under orders of a competent authority.

12. Director to issue instructions and forms. — Details instructions and forms shall be drawn up and maintained by the Director of Land Survey subject to the orders and approval of the Government, for the proper carrying out of the provisions of Rule 11.

13. City Survey. — The Government, may at any time, direct a survey or resurvey of lands, other than

those used ordinarily for the purpose of agriculture only within the site of any village, town or city. Such survey shall be conducted and all its operations shall be regulated according to the provisions made in the preceding Rules of this Chapter.

14. **Survey Fee to be charged.** — Every holder of a building site in respect of which a survey under the preceding rule is carried out, shall be liable to the payment of a survey fee at such rate as may be prescribed by the Director of Land Survey with the previous approval of the Government.

15. **Sanad to be granted.** — Every holder of a building site, as aforesaid, shall be entitled, after payment of the said survey fee, to receive without extra charge, one or more sanads, in the prescribed form specifying, by plan and description, the extent and conditions of his holding.

CHAPTER III

Boundaries and Boundary Marks

16. **Fixation and demarcation of boundaries.** — Boundaries of all villages and of all survey numbers in villages therein shall be fixed and demarcated by boundary marks.

17. **Determination of village boundaries.** — The boundaries of villages shall be fixed, and all disputes relating thereto shall be determined by survey officers or by such other officers as may be appointed by the Government for the purpose, after holding a formal inquiry at which the village officers and after giving all persons interested, an opportunity of appearing and producing evidence.

18. **Determination of field boundaries.** — If at the time of a survey, the boundary of a field or holding is undisputed, and its correctness is affirmed by the village officers then present, it may be laid down as pointed out by the holder or person in occupation and, if disputed or if the said holder or person in occupation is not present, it shall be fixed by the survey officer according to the land records and according to occupation as ascertained from the village officers and the holders of the adjoining lands, or on such other evidence or information as the survey officer may be able to procure.

19. **Disputes regarding boundaries between villages, survey numbers and sub-divisions.** — If any dispute arises concerning the boundary of a village or a field or a holding which has not been surveyed, or if at any time after the completion of a survey a dispute arises concerning the boundary of any village or survey number or sub-division of a survey number, it shall be decided by the Collector after holding a formal inquiry at which the village officers and all persons interested therein shall be given an opportunity of appearing and producing evidence before him.

20. **Effect of settlement of boundary.** — (1) The settlement of a boundary under this Chapter shall be determinative: —

(a) of the proper position of the boundary lines or boundary marks; and

(b) of the rights of the holders on either side of the boundary fixed in respect of the land adjudged to appertain, or not to appertain, to their respective holdings;

(2) Where a boundary has been so fixed, the Collector may at any time summarily evict any person who holds land and who is wrongfully in possession of any land which has been adjudged in the settlement of boundary not to appertain to his holding or to the holding of any person through or under whom he claims.

(3) Subject to the provisions of sub-rules (4) and (5), an appeal shall be to the Government against an order of ejectment under sub-rule (2).

(4) Where any person has been ejected or is about to be ejected from any land under the provisions of sub-rule (2), he may, within a period of one year from the date of ejectment or the settlement of the boundary, institute a civil suit to establish his title thereto;

Provided that, the Government or the Collector or any revenue or survey officer as such, shall not be made a party to such suit.

(5) Where a civil suit has been instituted under sub-rule (1) against any order of ejectment under the provisions of sub-rule (2), such order shall not be subject to an appeal to the Government under sub-rule (3).

21. **Construction and repair of boundary marks of survey numbers and villages.** — (1). It shall be lawful for any survey officer authorised in this behalf to erect or cause to be constructed, laid out, maintained or repaired, boundary marks and survey marks of villages or survey numbers or sub-divisions and to assess all charges incurred thereby on the holders or others having an interest therein.

(2) Such officer may by a notice in writing, require landholders to construct, lay out, maintain or repair within a specified time, the boundary marks or survey marks of their respective survey numbers or sub-divisions; and on their failure to do so the survey officer shall construct, lay out or repair them and assess all charges incurred thereby as hereinbefore provided.

(3) The boundary marks and survey marks shall be of such description, and shall be constructed, laid out, maintained or repaired in such manner and shall be of such dimension and materials as may be determined by the Director of Land Survey according to the requirement of soil, climate, durability and cheapness of materials.

22. **Responsibility for maintaining boundary marks.** — Every person who holds land or is in possession thereof shall be responsible for the maintenance and good care of the boundary marks and survey marks of his holding and for any charge reasonably incurred on account of the same by the revenue officers in case of alteration, removal or disrepair. It shall be the duty of the Revenue Officers to prevent the destruction or unauthorised alteration of the village boundary marks or survey marks.

23. **Determination of responsibility for maintenance.** — (1) The responsibility of the land holders for boundary marks on a common boundary lies on the holder of the survey number which is numerically lowest.

(2) The provisions of sub-rule (1) is subject to the conditions that when any survey number is not

occupied or assigned for Government purposes the responsibility for repair of the marks on its periphery will pass on to the land holders on the other side of the boundary. Repairs will be made at Government expenses only when the marks in disrepair lie between survey numbers, each of which has no holder, except the Government.

(3) Within each survey number the holder or holders of each sub-division are responsible for the marks, if any, have been prescribed, to the periphery of that sub-division to the same extent as they would be responsible if «sub-division» were read instead of «survey numbers» in sub-rules (1) and (2).

(4) A mark which is on the common boundary of two or more villages must be repaired by the holder of the land in the village which is under restoration when the marks are found out of repair.

24. Collector to have charge of boundary marks. — After the survey operations are over, the charge of the boundary marks and survey marks shall devolve on the Collector, and it shall be his duty to take measures for their constructions, laying out, maintenance and repair and for this purpose the powers conferred on survey officers by Rule 21 shall vest in him.

25. Pénalty for injuring boundary marks. — Any person willfully erasing, removing or injuring a boundary mark or survey mark, shall on summary inquiry by a revenue officer, be liable for a penalty not exceeding fifty rupees for each mark so erased, removed or injured.

CHAPTER IV

Land Records

26. Preparation of record of rights. — It shall be lawful for the Government to take all measures for the preparation and maintenance of land records, including the record of rights and maps, and all other matters connected therewith or incidental thereto.

27. Record of rights. — (1) A record of rights in land as owner, occupant, tenant, Government lessee (including a holder of land under an emphyteusis or provisional concession), mortgagee or howsoever, shall be maintained in every village in the form of a separate card in Form I for each survey number or as the case may be sub-division of a survey number or where the land is not surveyed, for each field, and such record of rights shall include the following particulars, namely —

(*a*) Survey number, sub-division number, name of the field, area of the land and the tenure on which it is held;

(*b*) Names of all persons who are owners, occupants, Government lessees or mortgagees of the land;

(*c*) Names of tenants, if any, on the land;

(*d*) Names of persons holding an encumbrance or any other charge or right on the land;

(*e*) The nature and extent of the respective interests of such persons and the conditions or liabilities, if any, attaching thereto;

(*f*) The rent, if any, payable for the land.

(2) The first preparation of a record of rights in any village shall be made in accordance with the procedure prescribed in rule 29 by the Mamlatdar or any other officer as may be specified by Government in this behalf.

(3) The record of rights shall be maintained uptodate in accordance with the provisions of rules 28 and 29.

28. Acquisition of rights to be reported. — Any person acquiring by succession, survivorship, inheritance, partition, purchase, mortgage, gift, lease or otherwise, any right as owner, holder, occupant, mortagagee, landlord, tenant or Government lessee of any land, shall report orally or in writing his acquisition of such right to the Talathi within three months, from the date of such acquisition and the said Talathi shall at once give a written acknowledgement of the receipt of such report to the person making it;

Provided that, where the person acquiring the right is a minor or otherwise disqualified, his guardian or other person having charge of his property shall make the report to the Talathi.

Provided further that, any person acquiring a right with the permission of the Collector or by virtue of a registered document shall be exempted from the obligation to report to the Talathi.

Provided also that, where a person claims to have acquired a right with the permission of the Collector where such permission is required under the provisions of any law for the time being in force, such person on being required by the Talathi so to do, produce such evidence of the order by which such permission is given.

Explanation I — The rights mentioned above include a mortgage without possession but do not include an easement or a charge not amounting to a mortgage of the kind specified in section 100 of the Transfer of Property Act, 1882.

Explanation II — A person in whose favour a mortgage is discharged or extinguished, or lease determined acquires a right within the meaning of this section.

Explanation III — For the purpose of this Chapter the term «Talathi» includes any person appointed by the Collector to perform the duties of a Talathi under this Chapter.

First preparation of Record of Rights

29. Issue of notice. — (1) When the Record of Rights is to be introduced in any village for the first time, the Talathi shall issue a public notice in Form II calling upon all persons who have any interest in the lands in the village to furnish to him either in writing or orally information on all or any of the following points within one month from the date of the public notice:—

(i) Survey number and sub-division number, if any, of the land (or where the lands are not surveyed, the name of the field and its boundaries) in which he has any interest as holder, occupant, owner, tenant, landlord, mortgagee, Government lessee or in any other manner.

(ii) The nature of interest in the land.

(iii) The tenure on which the land is held, that is to say whether the land is held as owner, occupant or Government lessee.

(iv) The encumbrance or charge, if any, on the land and the name of the holder of such encumbrance or charge.

(2) The aforesaid notice shall be published in the village by beat of drum and by affixing copies thereof in a conspicuous place in the village and where there is a village panchayat in the office of the village panchayat.

30. **Preparation of Index of Lands.** — (1) The Talathi shall on the basis of the information received under rule 29 or such information as he may collect by making local inquiry prepare a draft of the Index of land in the village in Form III.

(2) The draft of the Index of lands prepared under sub-rule (1) shall, after being checked by the Circle Inspector or a Survey Officer not below the rank of a Circle Inspector, be published by issuing a notice in Form IV and publishing the notice in the manner provided in sub-rule (2) of rule 29. The notice shall call upon all persons having interest in the lands in the village to inspect the draft, which shall be kept open for inspection on the dates and times and at a place (which shall be convenient to the villagers) to be specified in such notice and to submit to him in writing within one month from the last date for inspection specified in the said notice their objections, if any, to any of the entries in the draft. The notice shall also mention the date (such date being not earlier than one month from the expiry of the period specified for submission of objections) on which the entries in the draft will be read aloud in public and the objections received within the prescribed period shall be inquired into and decided by a Survey Officer or as the case may be, a Revenue Officer not below the rank of an Awal Karkun and call upon the persons having interest in lands to be present at the aforesaid occasion.

(3) If from the objection received by the talathi under sub-rule (2), he finds that disputes exist relating to entries in respect of certain lands, he shall enter such disputes in a register of disputed cases, which shall be maintained for each village in Form V. He shall simultaneously give individual notice in Form VI to each person who appears to him to be interested in the disputed entry, informing him of the dispute and calling upon him to be present on the date the dispute is to be heard and decided.

(4) On the date specified in the notice issued under sub-rule (2), the Revenue or Survey Officer concerned shall at the appointed place and time read aloud in the presence of the persons assembled, the draft of the Index of Lands for the village. He shall then inform them of the lands in respect of which disputes have been raised and ask them whether they admit the entries in respect of the remaining lands. If they admit such entries the officer shall make a remark to that effect in the remarks column of the draft. If in respect of any entry any error is pointed out and is admitted by all concerned, the entry shall be corrected and a remark made to that effect in the remarks column. If a dispute is raised in respect of any entry it shall be entered in the register of disputed cases.

(5) Thereafter the officer concerned shall, after verifying whether the talathi has given individual notices under sub-rule (3), proceed to decide the disputed cases entered in the register of disputed cases and record therein his decision in respect of each dispute. The decision shall be announced to the persons assembled.

(6) The entries in the draft of the Index of lands shall be corrected in red ink by the talathi in the light of the decisions given under sub-rule (5). He shall also prepare a second draft of the Index of lands which shall contain all entries as they stand corrected.

31. **Promulgation of record of rights.** — (1) The second draft shall be published by issuing a notice in Form VII and publishing the notice in the manner provided in sub-rule (2) of rule 29. The notice shall call upon all persons having interest in the lands in the village to inspect the draft, which shall be kept open for inspection on the dates and times and at a place (which shall be convenient to the villagers) specified in such notice and informing them that the draft will be finalised and the record of rights promulgated by a Revenue or Survey Officer not below the rank of a Deputy Collector on the date and time to be specified in such notice, after hearing any appeals against the decisions taken in the disputed cases. The notice shall also call upon the persons aggrieved by the decisions in the register of disputed cases to hand over to the talathi before the aforesaid date their appeal petitions. On receipt of such petition the talathi shall give notice about the receipt of such petition to the other parties who are interested in the land and call upon them to be present on the date, the appeal petition is to be decided.

(2) On the appointed date and time, the officer concerned shall consider all the appeal petitions received by the talathi within the prescribed period and shall decide them after hearing the parties. He shall then get the entries in the second draft corrected in red ink in accordance with the decisions given by him on the appeal petitions and shall sign it at the end after adding a certificate that it has been duly approved by him. He shall then direct the talathi to transfer the entries in respect of each survey number or sub-division of a survey number or in respect of each field where the land is not surveyed, in the second draft to the record of rights in Form I allotted for the survey number or the sub-division of survey number or the field, as the case may be, and proclaim to the villagers that the record of rights so prepared shall be the record of rights of the village.

32. **Mamlatdar responsible for maintenance of record of rights.** — The Mamlatdar shall be responsible for the maintenance of the record of rights in all villages within his jurisdiction and for that purpose for the timely and systematic compliance of the provisions hereinafter appearing.

33. **Acknowledgement of reports under rule 28 and Register of Mutations.** — (1) On receipt of a report either orally or in writing under rule 28 about acquisition of rights in land, the talathi shall at once acknowledge its receipt in Form VIII and enter the mutation in the mutation register in Form IX maintained for each village.

(2) As soon as an intimation sent to him by the registering officer under rule 37 is received, the talathi shall make a separate entry in the mutation register about the mutation made by each document mentioned in such intimation.

(3) Where the acquisition of rights in any land is as a result of transfer of such land and such transfer cannot be made without the previous permission of any officer of Government, the talathi shall require the person making the report to him under rule 28 to produce before him such permission or such evidence of the order by which such permission is given, within fifteen days. If such permission or evidence is produced the talathi shall record this fact at the end of the entry in column 2 of the mutation register. If the permission is obtained but not produced or not at all obtained the talathi shall record this fact as aforesaid.

(4) Whenever the talathi received from the Mamlatdar, the Director of Land Survey or officers superior to him: —

(i) any intimation about the passing of any order as a result of which mutation has taken place; or

(ii) any intimation about hypothication of any land for tagai loan;

he shall make an entry about the mutation in the mutation register.

34. **Notice of mutation and pencil entries in record of rights.** — As soon as an entry is made in the mutation register he shall at the same time post up a complete copy of the entry in a conspicuous place in the village. He shall also simultaneously give notice in Form X to all persons appearing from the record of rights or mutation register to be interested in the mutation and to any other person whom he has reason to believe to be interested therein, requiring them to submit to him either orally or in writing the objections, if any, to the entry in the mutation register, within fifteen days from the receipt of such notice. He shall also provisionally give effect to the mutation entry in the record of rights by bracketting the old entry in pencil and by writing in pencil below it the entry as modified by the mutation entry and followed by the serial number of the said mutation entry:

Provided that where the mutation entry is made as a result of item (ii) of sub-rule (4) of rule 33, it shall not be necessary to give written intimation under this rule.

35. **Acknowledgement of objections.** — The talathi shall acknowledge the objections received under rule 34 and shall also enter them in the register of disputed cases.

36. **Mutation register to be examined by the Circle Inspector.** — (1) The Circle Inspector shall visit the village and examine any entry made by the talathi in the mutation register and see if copies of every entry have been properly posted and notices have been properly served under rule 34 or not. The Circle Inspector shall give intimation of the date and time of such visit, sufficiently in advance to the talathi who shall inform the persons interested in the relevant mutation entries about such visit and call upon them to remain present at a prominent place in the village when the Circle Inspector visits the village.

(2) On visiting the village at the appointed time, the Circle Inspector shall read out aloud each mutation entry and explain it to the persons present. He shall also ask the persons interested in the relevant entry to state whether they admit the entry or whether they have any objection to it. If any objection is raised, the objection shall be entered by him in the register of disputed cases.

(3) The Circle Inspector shall initial the entries in the mutation register in respect of which no objection is received by the talathi or by him under sub-rule (2). Where the entry is admitted by the persons interested, the fact shall be noted by him in column 4 of the mutation register.

(4) If in respect of any entry in the mutation register, an error is noticed by the Circle Inspector or is pointed out to him by any one present, and such error is admitted by all persons interested in such entry who may be present or if such persons be not present, the Circle Inspector is himself satisfied about the existence of such error, he shall correct the error by bracketting the erroneous entry and inserting the correct entry by interlineation or side note or by an entirely fresh entry, in either case authenticated by his signature. If the error is not admitted, he shall enter the dispute in the register of disputed cases.

37. **Certification of mutation entries and disposal of dispute.** — (1) The disputes entered in the register of disputed cases and the entries in the mutation register shall be certified in the village or in its neighbourhood by a revenue or survey officer not below the rank of an Awal Karkun as far as possible within one year from the date of making the entry in the register. For this purpose the certifying officer shall give intimation in Form XI to the talathi sufficiently in advance.

(2) On receipt of the intimation the talathi shall issue notices in Form XII to the persons interested in the mutation entries to be certified and the disputes entered in the register of disputed cases at least fifteen days before the date fixed for certification of the mutation entry asking them to be present at the appointed time and place and further informing them that if they fail to remain present, the dispute will be decided and the mutation entries will be certified by the certifying officer in their absence.

(3) At the appointed time and place the certifying officer shall read out the mutation entries which are undisputed in the presence of the parties interested in such entries who may be present. If the correctness of an entry is admitted, the certifying officer shall record such admission in the mutation register and add an endorsement under his signature that the entry has been duly certified. If an error is noticed in the entry by the Certifying Officer and such error is admitted by the persons interested who may be present, the Certifying Officer shall correct the entry and certify the corrected entry as aforesaid.

(4) The Certifying Officer shall then decide each dispute entered in the register of disputed cases by holding a summary inquiry and shall record his decision in the said register. He shall also record in column 4 of the mutation register the order passed by him about the mutation entry in such decision and further make an endorsement under his signature to the effect that the mutation entry as modified by his order is certified by him.

(5) Where the mutation entry is made as a result of item (ii) of sub-rule (4) of rule 33, the Certifying Officer shall certify the entry after verifying it.

38. **Giving effect to the certified entries in mutation register in record of rights.** — (1) Immediately after the mutation entry is certified under rule 37, the talathi shall give effect to the mutation entry as certified in the record of rights in the following manner: —

(i) Where the entry made in pencil in the record of rights remains unaltered by the mutation entry as certified, the talathi shall ink out the entry; and

(ii) Where the entry made in pencil in the record of rights is altered by the mutation entry as certified, the talathi shall erase the entry made in pencil and write in ink the correct entry in conformity with the certified mutation entry.

(2) Where more than one mutation of an entry in the record of rights has taken place prior to the certification, each such mutation shall be transferred to the record of rights in the manner provided in sub-rule (1) in the order of occurrence of the mutations.

39. **Intimation of transfers by registering officer and giving effect to such transfer in record of rights.** — (1) When any document purporting to create, assign or extinguish any title to, or any charge on, land used for agricultural purposes, or in respect of which a record of rights has been prepared is registered under the Indian Registration Act, 1908, the officer registering the document shall send intimation to the Talathi of the village in which the land is situated and to the Mamlatdar of the Taluka, in Form XIII separately in respect of lands included in each village. Such intimation shall be given in the first week of each month for the documents registered in the preceding month. While sending the intimation to the talathi, it shall be sent in duplicate.

(2) On receipt of an intimation under sub-rule (1), the talathi shall immediately take action as if the intimation was a report made to him under section 28 and the provisions of rules 34 to 38 shall *mutatis mutandis* apply except that it shall not be necessary for the talathi to acknowledge receipt as provided in sub-rule (1) of rule 33. The talathi shall also enter the mutation entry number (s) in the «remarks» column of the duplicate copies of the intimation received under sub-rule (1) and return one copy to the Mamlatdar.

40. **Register of cultivators and crops.** — A register showing the names of persons who have cultivated the lands in a village, the crops grown therein and the area in which they are grown and where the lands are not cultivated, the names of persons in actual possession shall be maintained in every village. It shall be in the form of a separate card in Form XIII in respect of each survey number or sub-division of a survey number and shall be printed below the record of rights in Form I. Entries in the register shall be made every year in the manner provided in rules 41 and 42.

41. **Procedure of making entries in register of cultivators and crops.** — (1) Every year at any time during the period when the crops grown in the village are standing in the fields, the talathi shall visit the village for the purpose of inspection of the crops and making entries in the register of cultivators and crops.

(2) The talathi shall give intimation of the date of his visit to the village for the purpose of sub-rule (1) to the Sarpanch of the village panchayat at least seven days in advance and shall request him to arrange to inform the villagers by beat of drum or by any other suitable method about the date (s) of visit of the talathi and its purpose and to call upon the villagers to be present in their fields and witness the entries being made in the register of cultivators and crops. He shall also request the Sarpanch to request the members of the village panchayat to accompany him during the crop inspection.

(3) On the appointed date (s) the talathi shall visit every field in the village in the presence of the members of the village panchayat and the villagers who agree to accompany him and make entries in the register of cultivators and crops in respect of each survey number or sub-division of a survey number. He shall allow the persons interested in land to see the entries made by him in respect of the land in which they are interested.

(4) For ascertaining the person who has cultivated a survey number or sub-division of a survey number or where the land is uncultivated of the person in actual possession, the talathi shall question the person who may be present in the land and also the villagers who accompany him. Where there is no dispute about such person, and where such person is also a person who according to the entries in the record of rights is entitled to cultivate the land or as the case may be, to be in actual possession, the talathi shall make entries in ink in the register in respect of that land.

(5) Where there is a dispute or disagreement about such person or where such person is other than the person who according to the entries in the record of rights is entitled to cultivate the land or as the case may be, to be in actual possession and such person is able to produce before the talathi documentary evidence in support of his possession of the land, the talathi shall make an entry in ink in respect of such land and shall also keep in column (17) of the register a note about the document produced in support of his possession. If the person is unable to produce such documentary evidence, the talathi shall make the entries in columns (2) and (3) of the register relating to such land in pencil and the remaining entries in ink. He shall also make a note in pencil in column (17) of the register about the dispute or discrepancy in possession.

42. **Finalising entries in register of cultivators and crops.** — (1) As soon as may be after the talathi has made entries in the register of cultivators and crops, the Circle Inspector or any Revenue Officer superior to him shall visit the village for the purpose of finalising the entries made in pencil under sub-rule (5) of rule 41 and for hearing the objections, if any, to the entries relating to crops made in the register by the talathi. He shall give intimation of the date of his visit to the talathi and the Sarpanch of the village at least seven days in advance. The Talathi shall arrange to inform all persons inter-

ested in the pencil entries of the officer's visit and shall call upon them to remain present at the appointed place and at the appointed time if they have any objection to the pencil entry.

(2) On the appointed date, the officer referred to in sub-rule (1) shall after hearing the objections, if any, to the pencil entries and the entries relating to crops and after holding such further enquiry as he deems necessary for ascertaining the correct factual position, ink out the pencil entry if it represent the correct factual position or make a fresh entry in ink in accordance with the correct factual position after erasing the pencil entry. He shall similarly correct the incorrect entries relating to crops and shall put his initials at the end of such entries.

43. **Mutation entries corresponding to entries in register of cultivators and crops.** — Where an entry made in the register of cultivators and crops relating to a survey number or a subdivision of a survey number indicates a mutation in respect of such land, the talathi shall make an entry in the mutation register about the mutation. Thereafter the provisions of rules 34 to 39 shall *mutatis mutandis* apply.

Other matters

44. **Revenue Officer to exercise powers of survey officers.** — For the purpose of preparing or revising any map or plan required for, or in connection with any record or register under the provisions of these rules, the Revenue Officers shall exercise the following powers of a survey officer —

(a) A Circle Inspector and a Talathi may issue notices to secure the attendance of holders of land and of all persons interested therein. They may also send intimations to village officers connected with survey operations, requiring them to render necessary assistance and call upon the holders and the interested persons to assist in the measurement.

(b) The revenue officers of and above the rank of an Awal Karkun may, if so required, issue summons to the holders and interested persons in order to secure their attendance and send intimation to the Taluka Officers connected with survey operations to render necessary assistance. Such officers may in the event of necessity employ hired labour for purposes of survey.

(c) The cost of preparation or revision of maps with all contingent expenses including the cost of clerical and hired labour and supervision shall be assessed on the land to which such map or plans relate, by an Assistant or Deputy Collector in such a way that it will cover entire cost of measuring, assessing and maping the land. Such cost shall be recovered from the holders of land as a revenue demand.

45. **Inspection of record of rights.** — The records and registers maintained under these rules shall, from time to time be inspected by revenue and survey officer not below the rank of a Mamlatdar. If any error in the entry is noticed by such officer during the course of his inspection, it shall be treated as a fresh mutation and corrected in accordance with the provisions of these rules.

46. **Entries made in pencil not to be accepted as evidence.** — An entry made in pencil either in the record of rights or the register of cultivators and crops shall not be accepted as evidence in any proceedings before any authority, court or tribunal.

47. **Correction of clerical errors.** — The Collector may, at any time, correct or cause to be corrected any clerical errors and any errors which the parties interested admit to have been made in the record of rights or registers maintained under this Chapter or which a revenue officer may notice during the course of his inspection.

Provided that when any error is noticed by a revenue officer during the course of his inspection, no such error shall be corrected unless a notice has been given to the parties and objections, if any, have been disposed of finally in accordance with the procedure relating to disputed entries.

48. **Presumption of correctness of entries in record of rights and register of mutations.** — An entry in the record of rights and a certified entry in the register of mutation shall be presumed to be true until the contrary is proved or a new entry is lawfully substituted therefor.

49. **Bar of suits.** — No suit shall lie against the Government or any officer of the Government in respect of a claim to have an entry made in any record or register that is maintained under this Chapter or to have any such entry omitted or amended.

50. **Inspection of maps and land records and certified copies thereof.** — (1) Subject to the payment of the fees provided in sub-rule (2) all maps and land records shall, subject to such restrictions as may be imposed, be open to inspection by the public during office hours in the office of the officer in charge of the same and certified extracts therefrom or certified copies thereof may be given to all persons applying for the same on payment of such fees as prescribed in sub-rule (2).

(2) The following fees shall be payable in cash for inspection and for supply of certified copies —

(i) For each day on which the inspection is made	50 paise per hour subject to a maximum of Rs. 2 per day.
(ii) For every certified copy of a serial number or entry in the record of rights, register of mutations, or register of cultivators and crops	5 paise.

51. **Continuance or survey operations at the commencement of the Rules.** — All survey operations commenced under any law for the time being in force, or any rule, order or direction of the Government, and either completed or continuing at the commencement of these Rules shall be deemed to have been commenced, completed or to be continuing under the provisions of these Rules.

Panaji, 23rd January, 1968.

GOVERNMENT OF INDIA

MINISTRY OF HOME AFFAIRS

Notification

13/4/67-AIS(I)

New Delhi-1, the 29th December, 1967

G. S. R. — In exercise of the powers conferred by sub-section (1) of section 3 of the All-India Services Act, 1951 (61 of 1951) the Central Government hereby makes the following rules further to amend the Indian Police Service (Recruitment) Rules, 1954, namely: —

1. (1) These rules may be called the Indian Police Service (Recruitment) Amendment Rules, 1967.

(2) They shall come into force with effect from the 1st January, 1968.

2. In the Indian Police Service (Recruitment Rules, 1954),

(*a*) in rule 2 —

(i) for clause (*e*) after the word «Union Territory», the words «and the North East Frontier Agency» shall be added;

(ii) for clause (*g*) the following clause shall be substituted, namely: —

«(*g*) «State Police Service» means: —

(1) the principal police service of a State a member of which normally holds charge of a sub-division of a district for purposes of police administration and includes any other duly constituted police service functioning in a State which is declared by the State Government to be equivalent thereto; or

(ii) any service in such Police Post Class I or Class II, as may be approved by the Central Government for the purposes of these rules».

(*b*) in rule 4, in sub-rule (4), for the words «Union Territories of Delhi and Himachal Pradesh» words «Union Territories and the North East Frontier Agency» shall be substituted.

A. N. BATABYAL
Under Secretary to the Government of India.

Corrigendum

OSD/RRVS/5(a)/66

In the Schedule attached to the Notification dated 28th November, 1966 published in Government Gazette Series I, No. 40 dated 5th January, 1967, relating to the Recruitment Rules for the Class II, Gazetted posts in the Department of Industries and Mines. The words Transfer/Deputation in column 11 against the posts at serial number 1 and 2 should be corrected as 'Transfer on Deputation'.

Industries and Power Department

Notification

I&L/1545/66/209

In exercise of the powers conferred by Sub-Section (1) and clauses (*h*) to (*J*) of Sub-Section (2) of Section 52 of the Inland Steam Vessels Act, 1917, the Lieutenant Governor of Goa, Daman and Diu is pleased to make the following rules for Inland Steam (Motor) Vessels namely:

1. Short title: (i) These rules may be called the Inland Steam Vessels (Motor Navigation) Rules, 1968.

   (ii) They shall come into force at once.

2. No Inland Steam Vessel shall proceed on a voyage, if she is unsafe by reason of the

defective condition of her hull, equipment or machinery or by reason of overloading or improper loading or excessive tow load.

3. Every person who sends or attempts to send an Inland Steam Vessel on any voyage or service in such an unsafe state that the life of any person is likely to be thereby endangered shall unless he proves that he used all reasonable means to ensure her being sent on the voyage or service in an unsafe state or that her going on the voyage or service in such an unsafe state was under the circumstances reasonable and justifiable shall be an offence under these rules.

4. An Inland Steam Vessel is said to be unsafe within the meaning of these rules when the material of which she is made, her construction, the qualifications of the master and driver, the number, description and qualifications of the crew, the weight, description and stowage of the cargo and blast, the condition of the hull and equipment, boilers and machinery are not such as to render her in every respect fit for a proposed voyage or service.

5. Masters and serangs must use their discretion in towing crafts alongside or astern of their vessels and must be guided by conditions of weather, traffic and width of the waterways.

6. In every case when an Inland Steam Vessel meets another in narrow waters both vessels shall ease down and pass at a dead slow speed. When two Inland Steam Vessels are proceeding in the same direction, subject to circumstances permitting, the overtaking vessel shall indicate its desire to overtake the other vessel by giving one long blast on her whistle. The vessel being overtaken shall then, subject to circumstances permitting, shall steer clear from the channel and indicate such alteration by appropriate signals on her whistle.

7. When navigating in narrow rivers, canals, where a backwash is likely to be set up sufficient cause undue erosion or damage in the river bank, Inland Steam Vessels shall proceed at a reduced speed, and observe extreme care and caution.

8. Inland Steam Vessels shall not go alongside any bunds (except at authorised loading points) unless required due to emergency for safety of life and property.

9. When passing places where small crafts are engaged in fishing, Inland Steam Vessels shall proceed at such reduced speeds, as to prevent damage being done to the small craft or life on board.

10. The speed of Inland Steam Vessels shall be reduced when approaching ferry crossings and shall proceed with great caution giving right of way to such ferries.

11. The masters of Inland Steam Vessels whilst navigating, in the approaches to or under bridges, across the rivers, canals or creeks shall, proceed at such a speed that they are able to stop the vessel within its own length.

12. All Inland Steam Vessels when navigating between the approaches to Aguada Bar and Panaji Jetty shall, in view of the narrow channels and limited room for manouvering, give the right of way to all coastal passenger vessels.

13. Any owner, agent, master or serang, committing the breach of any of these rules shall be punishable with imprisonment for a term which may extend to six months or a fine of Rs. 500/- or with both.

By order and in the name of the Administrator of Goa, Daman and Diu.

S. R. Shinde, Under Secretary, Industries and Labour Department.

Industries and Labour Department

Order

No. IRM/CON(15)/77/IT-15/78

Whereas the Lieutenant Governor of Goa, Daman and Diu is of the opinion that an industrial dispute exists between the employers in relation to the management of M/s. Sociedade de Fomento Industrial Pvt. Ltd., Margao, Post Box No. 31 and their workman Shri Vaman Pednekar, House No. 35, Sarvodem, Navelim, Salcete, represented by the Goa General Offices and Establishments Staff Association, Post Box No. 99, Margao, in respect of the matters specified in the Schedule hereto annexed (hereinafter referred to as the "said dispute");

And whereas the Lieutenant Governor of Goa, Daman and Diu considers it expedient to refer the said dispute for adjudication;

Now, therefore, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (Central Act 14 of 1947), the Lieutenant Governor of Goa, Daman and Diu hereby refers the said dispute for adjudication to the Industrial Tribunal, Goa, Daman and Diu, Dona Paula, Goa, constituted under section 7-A of the said Act.

SCHEDULE

"Whether the action of the management of M/s. Sociedade de Fomento Industrial Pvt. Ltd., Post Box No. 31, Margao (Goa) in terminating the services of Shri Vaman Pednekar, Driver with effect from 18-11-1976 is legal and justified?

If not, to what relief the workman is entitled to?".

By order and in the name of the Lieutenant Governor of Goa, Daman and Diu.

G. M. Sardessai, Under Secretary, Industries and Labour.

By order and in the name of the Governor of Goa.

Maria A. Rodrigues, Under Secretary (Forests).

Panaji, 30th June, 1993.

Legislature Secretariat

Notification

LA/B/3111/1993

The following Bill which was introduced in the Legislative Assembly of Goa on 8-7-93 is hereby published for general information in pursuance of the provisions of Rule-138 of the Rules of Procedure and Conduct of Business of the Legislative Assembly.

Panaji, 9th July, 1993.

The Goa State Guarantees Bill, 1993

(Bill No. 14 of 1993)

A

BILL

to fix a limit upto which the executive power of the State of Goa shall extend to the giving of guarantees.

Be it enacted by the Legislative Assembly of Goa in the Forty-fourth Year of the Republic of India as follows:—

1. *Short title and commencement.* — (1) This Act may be called the Goa State Guarantees Act, 1993.

(2) It shall come into force on such date as the State Government may, by notification in the Official Gazette, appoint.

2. *Definitions.* — In this Act, unless the context otherwise requires, —

(a) 'Official Gazette' means the Official Gazette of the State Government;

(b) 'State Government' means the Government of Goa.

3. *Fixation of limit upto which State may give guarantees.* — (1) The limit upto which the executive power of the State Government shall extend to the giving of guarantees (including guarantees given before the commencement of this Act) as provided in clause (1) of Article 293 of the Constitution of India, shall be the sum of Rs. 40.00 crores.

(2) The State Government shall lay before the State Legislature, —

(a) a Statement of any guarantee given as soon as may be after it is given; and

(b) within three months after the end of any financial year in which any guarantees so given are in force, an account of the total sums, if any, which during that year have been either

issued out of the Consolidated Fund of the State or paid in or towards repayment of any sum so issued.

Statement of Objects and Reasons

Article 293(1) of the Constitution of India lays down that the executive power of a State extends to borrowing within the territory of India upon the security of the Consolidated Fund of the State within such limits as may from time to time be fixed by the Legislature of the State by law. The proposed Bill seeks to fix this limit to Rs. 40.00 crores in the State of Goa for giving Government Guarantees to the parties/institutions/Government Corporations/Companies, etc.

Financial Memorandum

No financial implications are involved in this Bill while sanctioning the Government Guarantees. However, in case any sanctioned guarantee is invoked then its liability is charged to the Government, the amount of which cannot be foreseen at this stage. However, all sureties etc. to safeguard the interest of the Government will be envisaged in the executive orders which will be issued from time to time.

Panaji,
21st June, 1993.

WILFRED D'SOUZA
Chief Minister

Assembly Hall,
Panaji,
1st July, 1993.

ASHOK B. ULMAN
Secretary to the Legislative Assembly of Goa.

Governor's recommendation under article 207 of the Constitution:

In pursuance of clause (1) & (3) of article 207 of the Constitution the Governor of Goa has recommended to the Legislative Assembly of Goa the introduction and consideration of "The Goa State Guarantees Bill, 1993".

Notification

LA/B/3112/1993

The following Bill which was introduced in the Legislative Assembly of Goa on 8-7-93 is hereby published for general information in pursuance of the provisions of Rule-138 of the Rules of Procedure and Conduct of Business of the Legislative Assembly.

Panaji, 9th July, 1993.

The Goa Barge Tax (Amendment) Bill, 1993

(Bill No. 15 of 1993)

A

BILL

further to amend the Goa, Daman and Diu Barge Tax Act, 1973.

Be it enacted by the Legislative Assembly of Goa in the Forty-fourth Year of the Republic of India as follows:—

1. *Short title and commencement.* — (1) This Act may be called the Goa Barge Tax (Amendment) Act, 1993.

(2) It shall come into force at once.

2. *Amendment of Schedule.*— For the Schedule to the Goa, Daman and Diu Barge Tax Act, 1973 (Act 10 of 1973), the following Schedule shall be substituted, namely:—

"SCHEDULE

(See section 3)

Capacity of barge	Maximum annual rate per ton
	Rs.
(a) Less than 650 tons	22.00
(b) 650 tons and less than 1000 tons	25.00
(c) 1000 tons and above	30.00

Note: When tax is not paid for the whole year at a time, but is paid for one or more quarters at a time, the tax so payable for each quarter shall be an amount equal to one-fourth of the annual tax plus ten per cent of that amount."

Statement of Objects and Reasons

On account of the huge amount required to be spent by the Government on the maintenance and repairs of inland water ways of Goa, it is felt necessary to increase the maximum rates specified in the Schedule to the Goa, Daman and Diu Barge Tax Act, 1973 and hence it is proposed to amend the said Schedule.

This Bill seeks to achieve the above object.

Financial Memorandum

During the erstwhile period, the Captain of Ports Deptt. was collecting Tax from the barges plying on Inland Waterways of Goa under Diploma Legislative No. 1776 of 1958. Subsequent to the Liberation of Goa, the practice of collecting the Barge Tax continued upto 1965 after which it had to be stopped because of the Court Order. A new Legislation known as Goa, Daman and Diu Barge Tax Act, 1973 was passed by the Legislative Assembly of Goa and was made effective right from 1971. According to the said Act the barges were taxed as under:

SCHEDULE

(Section 3)

Capacity of barge	Maximum annual rate per ton
	Rs.
Less than 100 tonnes	3.50
100 tonnes and less than 200 tonnes	5.00
200 tonnes and less than 350 tonnes	6.00
350 tonnes and above	7.00

These rates were subsequently revised with effect from 2nd June, 1986 as under:

(a) 350 tons and less than 650 tons	Rs. 16.50 per ton per annum
(b) 650 tons and less than 1000 tons	Rs. 18.00 per ton per annum
(c) 1000 tons and above	Rs. 20.00 per ton per annum

The Deptt. was collecting a total Revenue of Rs. 17.56 lakhs approximately per annum. This tax was meant to meet the expenditure on maintenance of Inland Waterways of Goa. Due to the constant increase in the maintenance expenditure it has been proposed to revise the rates as under:

(a) 350 tons and less than 650 tons	Rs. 22.00 per ton per annum
(b) 650 tons and less than 1000 tons	Rs. 25.00 per ton per annum
(c) 1000 tons and above	Rs. 30.00 per ton per annum

With the revision of the Barge Tax as proposed above Govt. will get an additional Revenue of Rs. 7 lakhs per annum which could be collected with the existing manpower of the Deptt. The proposed revision of Barge Tax does not entail extra expenditure on the part of the ex-chequer.

Panaji,
14th June, 1993.

SUBHASH SHIRODKAR
Minister for Inland Waterways

Assembly Hall
Panaji,
25th June, 1993.

ASHOK B. ULMAN
Secretary to the Legislative Assembly of Goa.

Governor's recommendation under Article 207 of the Constitution:

In pursuance of clause (1) and (3) of Article 207 of the Constitution, the Governor of Goa has recommended to the introduction of the Goa Barge Tax (Amendment) Bill, 1993.

(Annexure to Bill No. 15 of 1993)

The Goa Barge Tax (Amendment) Bill, 1993

.....

The Goa, Daman and Diu Barge Tax Bill, 1972

(Act No. 10 of 1973)

.....

SCHEDULE

(Section 3)

Capacity of barge	Maximum annual rate per tonne
Less than 100 tonnes	Rs. 3.50
100 tonnes and less than 200 tonnes	Rs. 5.00
200 tonnes and less than 350 tonnes	Rs. 6.00
350 tonnes and above	Rs. 7.50

.....

Note: When tax is not paid for the whole year at a time, but is paid for one or more quarters at a time, the tax so payable for each quarter shall be an amount equal to one-fourth of the annual tax plus ten per cent of that amount.

Assembly Hall,
Panaji,
25th June, 1993.

ASHOK B. ULMAN
Secretary to the Legislative Assembly of Goa.

Notification

LA/B/3113/1993

The following Bill which was introduced in the Legislative Assembly of Goa on 8-7-93 is hereby published for general information in pursuance of the provisions of Rule-138 of the Rules of Procedure and Conduct of Business of the Legislative Assembly.

The Goa Barge (Taxation on Goods) Amendment Bill, 1993

(Bill No. 16 of 1993)

A

BILL

to amend the Goa, Daman and Diu Barge (Taxation on Goods) Act, 1985.

Be it enacted by the Legislative Assembly of Goa in the Forty-fourth Year of the Republic of India as follows:—

1. *Short title and commencement.*— (1) This Act may be called the Goa Barge (Taxation on Goods) Amendment Act, 1993.

(2) It shall come into force at once.

2. *Amendment of section 3.*— In section 3 of the Goa, Daman and Diu Barge (Taxation on Goods) Act, 1985 (Act 22 of 1985), for the words "twenty paise per tonne", the words "forty paise per ton" shall be substituted.

Statement of Objects and Reasons

At present, tax is received under the Goa, Daman and Diu Barge (Taxation on Goods) Act, 1985, on the goods transported by barges through the Cumbarjua Canal at the rate of 20 paise per ton.

On account of the increase in the salaries of the staff deployed for watch and ward activity along the Cumbarjua Canal and also due to increase in the cost of other expenditure, it is proposed to increase the said tax from 20 paise to 40 paise per ton by amending section 3 of the said Act, 1985.

This Bill seeks to achieve the above object.

Financial Memorandum

The Captain of Ports Deptt. is collecting 20 paise per ton from the barges plying through the Cumbarjua Canal as Goods Tax. The Deptt. is collecting Rs. 47,000/- per annum as Revenue from Goods Tax. Generally the barges in Goa ply through Cumbarjua Canal during the foul season because, Captain of Ports does not allow movement of barges through Mandovi River because of the Aguada Sand bar. For regulating and controlling the movement of barges in the Cumbarjua Canal, the Deptt. has to deploy staff 24 hours for regulating and controlling the movement of barges from this canal. Due to the construction of Banastarim Bridge, only barges of small and medium sizes are allowed to ply. After completion of the Banastarim Bridge which is expected to be ready by December,

1993, barges of bigger size will be also plying through this canal.

At present the Deptt. has to incur Rs. 8,000/- to Rs. 9,000/- per annum on payment of TA/DA to the Marine Staff. Due to the increase in the rate of TA/DA and other expenditure it is proposed to double the rate of present goods Tax from 20 paise per ton to 40 paise per ton. With the enhanced rate of Goods Tax the Deptt. is expecting to double the present Revenue i. e. from Rs. 47,000 per annum to Rs. 94,000 per annum and from 1994 onwards i. e. after completion of Banastarim Bridge the Revenue will go upto Rs. 1.10 lakhs — Rs. 1.15 lakhs per annum. Even though additional manpower is not required to collect the revised tax there will be increase in the payment of TA/DA expenditure from Rs. 8,000/- to Rs. 15,000/- per annum.

Panaji, 14th June, 1993.

SUBHASH SHIRODKAR
Minister for Inland Waterways

Panaji, Assembly Hall, 26th June, 1993.

ASHOK B. ULMAN
Secretary to the Legislative Assembly of Goa

Governor's recommendation under Article 207 of the Constitution:

In pursuance of clause (1) and (3) of Article 207 of the Constitution, the Governor of Goa has recommended to the introduction of the Goa Barge Tax (Amendment) Bill, 1993.

(Annexure to Bill No. 16 of 1993)

The Goa Barge (Taxation on goods) Amendment Bill, 1993

.....

The Goa, Daman and Diu Barge (Taxation on goods) Bill, 1985

(Act No. 22 of 1985)

.....

3. **Levy of tax on goods.** — On and from the date of commencement of this Act, there shall be levied and paid to the Government on the goods transported by barges through such inland Waterways or canals as may be notified by the Government, a tax at the rate of twenty paise per tonne or part thereof of the goods:

Provided that no tax shall be payable under this Act on goods belonging to the Government or Central Government.

Assembly Hall, Panaji, 25th June, 1993.

ASHOK B. ULMAN
Secretary to the Legislative Assembly of Goa.

Notification

LA/B/3114/1993

The following Bill which was introduced in the Legislative Assembly of Goa on 8-7-93 is hereby published for general information in pursuance of the provisions of Rule-138 of the Rules of Procedure and Conduct of Business of the Legislative Assembly.

Panaji, 9th July, 1993.

The Goa (Extension of the Orphanages and Other Charitable Homes (Supervision and Control) Act) Bill, 1993

(Bill No. 17 of 1993)

A

BILL

to provide for the extension of the Orphanages and Other Charitable Homes (Supervision and Control) Act, 1960 to the State of Goa.

Be it enacted by the Legislative Assembly of Goa in the Forty-fourth Year of the Republic of India as follows:—

1. *Short title and commencement.* — (1) This Act may be called the Goa (Extension of the Orphanages and Other Charitable Homes (Supervision and Control) Act) Act, 1993.

(2) It shall come into force at once.

2. *Extension of the Orphanages and Other Charitable Homes (Supervision and Control) Act, 1960 to the State of Goa.* — The Orphanages and Other Charitable Homes (Supervision and Control) Act, 1960 (Central Act 10 of 1960), as in force in the territories to which it generally extends, is hereby extended to the State of Goa.

3. *Repeal and Saving.* — So much of any law in force in the State of Goa as corresponds to the Orphanages and Other Charitable Homes (Supervision and Control) Act, 1960 (Central Act 10 of 1960), shall stand repealed as from the date of coming into force of this Act in the State of Goa:

Provided that the repeal shall not affect—

(a) the previous operation of any law so repealed or anything duly done or suffered thereunder; or

(b) any right, privilege, obligation or liability acquired, or incurred under any law so repealed; or

(c) any penalty, forfeiture or punishment incurred in respect of any offence committed against any law so repealed; or

(d) any investigation, legal proceeding or remedy in respect of any such right, privilege, obligation or liability, penalty, forfeiture or punishment, as aforesaid; and any such investigation, legal proceeding or remedy may be instituted, continued or enforced and any such penalty, forfeiture or punishment may be imposed as if this Act had not been passed:

Provided further that subject to the preceding proviso, anything done or any action taken (including any rule made) under any law so repealed shall, so far as they are consistent with the said Act, be deemed to have been done or taken under the corresponding provisions of the said Act as extended to the State of Goa by this Act and shall continue to be in force accordingly unless and until superseded by anything done or any action taken under the said Act.

Statement of Objects and Reasons

The Orphanages and Other Charitable Homes (Supervision and Control) Act, 1960 has not yet been extended to this State of Goa.

In pursuance of the directives of the Supreme Court contained in its order dated 21-11-1991, in Criminal Writ Petition No. 1121 of 1982, it is now proposed to extend the said Act to this State so as to bring all the Institutions/Homes/Shelters run by the Voluntary Organisations except the ones covered by section 3 thereof, within the purview of the said Act for the purpose of supervision and control in all matters relating to the management of homes in accordance with the directions to be given by the State Government and also to bring about uniformity of procedure and functioning amongst all the Institutions/Homes/Shelters in their management.

Financial Memorandum

When the Orphanages and Other Charitable Homes (Supervision and Control) Act, 1960 is extended to this State and comes into force, a Board will have to be constituted with powers to supervise and control generally all matters relating to the management of Institutions/Homes/Shelters in accordance with the provisions of this Act. The financial implications involved in the extension of this Act will be mainly on payment of TA/DA to the members of the Control Board when they go for the visit/inspection of the various Organisations, expenditure on salaries of staff appointed as per the provisions of the Act and other contingent expenditure in connection with their meetings, etc. including stationery. The approximate expenditure has been worked out to Rs. 40,000/- per annum.

Memorandum on Delegated Legislation

No delegated legislation is envisaged in this Bill.

Panaji,
21st June, 1993.

P. D. RAUT
Minister for Social Welfare

Assembly Hall,
Panaji,
22nd June, 1993.

ASHOK B. ULMAN
Secretary to the Legislative Assembly of Goa.

Governor's recommendation under Article 207 of the Constitution:

In pursuance of clause (1) and (3) of Article 207 of the Constitution, the Governor of Goa has recommended to the introduction of the Goa (Extension of the Orphanages and Other Charitable Homes) (Supervision and Control Act) Bill, 1993.

Department of Mines

Directorate of Mines & Geology

—

Order

No. 96/72/87-Mines/1326

Whereas, vide Order No. 96/72/87-Mines dated 30-07-1990, the Government of Goa, renewed the Mining Lease in favour of M/s. Sesa Goa Ltd. (hereinafter referred to as the "Lessee") for iron ore in respect of an area as indicated in the Schedule to this Order for a period of ten years effective from 22-11-1987 to 21-11-1997 (herein called the "said Mining Lease");

And whereas, vide its application dated 18-11-1996 the Lessee has applied for renewal of the said Mining Lease;

And whereas, the Government of Goa have agreed to renew the said Mining Lease towards the second instalment of first renewal for a period of ten years effective from 22-11-1997 to 21-11-2007;

Now, therefore, in exercise of the powers conferred by sub-section (2) of Section 8 of the Mines and Minerals (Development and Regulation) Act, 1957 (Central Act 67 of 1957) read with sub-rule (3) of Rule 24A of the Mineral Concession Rules, 1960, the Government of Goa, hereby renews the said Mining Lease for the period from 22-11-1997 to 21-11-2007, in the area shown in the Schedule appended to this Order, subject to the

following additional conditions and other prescribed terms and conditions to be incorporated in the lease deed:-

1) The period of Principal Lease Deed is hereby extended from 22-11-1987 to 21-11-2007 so as to include therein the period towards the second instalment of first renewal from 22-11-1997 to 21-11-2007.

2) No new place for dumping of overburden waste, rejects, etc. shall be commenced, worked or started by the Lessee without the permission and approval as required under Chapter III of the Mineral Conservation and Development Rules, 1988.

3) No new mining dump shall be operated by the Lessee, without first obtaining clearance from the Competent Authority under the Goa, Daman & Diu Irrigation Act, 1973 (Act No. 17 of 1973).

4) The Lessee shall not exceed the approved production capacity prevailing prior to 27-1-1994 without obtaining environmental clearance from Central Government.

5) The Stamp Duty shall be payable by the party as may be determined by the Competent Authority.

6) Save as aforesaid, all the terms and conditions as contained in the Principal Lease Deed shall remain in full force and effect.

M/s. Sesa Goa Ltd., shall execute within a period of 180 days from communication of this Order, a Supplementary Deed of Lease as contemplated under Rule 31 of the Mineral Concession Rules, 1960.

Most Urgent

No.1501/11/2007-PT (Part) **Dated the November 16, 2007**

To,

The Chief Wildlife Warden
(All Tiger Reserve States)

Sub: Identification and notification of core or critical habitats in Tiger Reserves.

Sir,

Section 38V (Chapter IV B) of the Wildlife (Protection) Act, 1972 (as amended in 2006) provides for establishing core or critical tiger habitat in tiger reserves on the basis of scientific and objective criteria by the State Government, in consultation with an Expert Committee constituted for the purpose.

Section 38V of the Wildlife (Protection) Act, 1972 involves three distinct processes- (i) identification/delineation of core or critical tiger habitat as per scientific/objective criteria involving an Expert Committee; (ii) identification/delineation of the buffer or peripheral area in consultation with the concerned Gram Sabha and the Expert Committee; (iii) creation of inviolate area on the basis of identified core or critical tiger habitat through relocation, as per the statutory process.

The core or critical tiger habitat are among the most sensitive areas in the country vis-à-vis tiger conservation and hence their identification as well as notification have to be expedited by according topmost priority. You are requested to identify/delineate such areas within the Tiger Reserves of your State by the following process:

(i) An Expert Committee may be constituted under the Chairmanship of the Chief Wildlife Warden comprising of two experts (one governmental and the other non-governmental).

(ii) The Committee, in consultation with respective Field Directors shall finalize and delineate the core or critical tiger habitats of tiger reserves using the criteria at para (iii) below, within 10 days from the receipt of this letter.

(iii) A minimum inviolate space of 800-1000 sq. k.m. should be maintained as the core or critical tiger habitat to support a viable population of tiger in landscape, which is based on tiger life history parameter, territory sizes and population viability analysis, as per the assessment made by Project Tiger (National Tiger Conservation Authority) and Wildlife Institute of India in 2006.

(iv) The draft proposal containing the reserve-wise delineated core or critical tiger habitats (soft/hard copies along with maps) may be brought for discussion/needful action from this end during the meeting of Chief Wildlife Wardens convened on 29-11-2007

The buffer or peripheral area may be delineated after due consultation process between the Expert Committee and concerned Gram Sabha as required under Section 38V of the Wildlife (Protection) Act, 1972, as amended in 2006. Proposal in this regard maybe sent subsequently by 31-01-2008, along with identified tiger corridors.

A timeframe for subsequent process would be discussed and finalized during the meeting under reference. An early action in this regard is solicited.

Yours Sincerely,
Sd/-
Member Secretary,
National Tiger Conservation Authority

115/C

Following agenda items were discussed and delebrations were carried out.

At the outset Hon. Chairperson welcomed the members for the first meeting.

The following agenda was discussed:-

1) **Increase in Taxi permits to ply on Collem-Dudhsagar route and guidelines for issue. (Shri Ganesh Gaonkar, Hon. MLA, Sanvorḍem Constituency)** –

The Member Secretary informed that the Dudhsagar Route is open for tourist about 200 days per year and about 1 Lac 12 Thousand people visit the fall by this route. The earlier Board had restricted the number of taxi permits to 98 when there were about 27,000 tourists visiting the fall. The number of tourists has increased nearly fivefold and there has been a demand from the locals to increase the number of permits. The Hon. Chairman informed that the number of trips should be restricted to the carrying capacity so that no damage is done to flora and fauna.

He desired that a committee be formed to study the carrying capacity of the route in the National Park. The Committee could be asked to give a report within six months so that the same could be enforced in the next season. The Board after deliberating on the issue agreed to the formation of the committee and decided that till the report is submitted the number of trips per day for the current season may be restricted to 230. The Commiittee shall be consisting of the Officers of Forest Department, members of (current) Goa State Board for Wildlife and one of the Sarpanch, the report of the committee should be put up to the Board for discussion and deleberations.

As regards increasing the number of taxi permits to be issued, the Board decided that a proper scheme for the purpose as well as to regulate the traffic on the route should be framed by Forest Department. In the meanwhile, the Forest Department could call for application in a particular format from residents of the National Park and village of Mollem, Collem to ascertain the number of interested persons. The scheme should provide for preference in allotting the permits roughly as follows:

i) Unemployed residents of Bhagwan Mahaveer National Park, whose claims have not yet been settled.

ii) Unemployed persons from the adjacent villages of Bhagwan Mahaveer National Park i.e. Collem and Mollem and have been displaced.

iii) The unemployed persons staying on periphery of National Park from the villages of Collem and Mollem, and

iv) The other unemployed persons from taluka of Dharbandora.

(Action by – Forest Department)

Cont.....3

2. **Deployment of life guards and security at Dudhsagar waterfall (Shri Ganesh Gaonkar. Hon. MLA Sanvordem Constituency).** The Dudhsagar waterfall forms a pond at the foorhill and the place is utilized for taking bath and swimming by the visiting tourists. There have been mishaps regularly and incidences of drowning have taken place. The Forest Department employs a life guard (on Daily wages) during the season and provides preliminary first Aid equipment at the parking site for use in emergencies.

   Shri Nikhil Dessai, MD GTDC informed that two more life guards will be deployed by Tourism Development Corporation (GTDC) through an organization called Dristi.

   In order to prevent accidents, the Boards agreed to the proposal of GTDC to employ 2 more guards.

   (Action by – GTDC)

3. **Beautification of Mollem junction (Shri Ganesh Gaonkar, Hon MLA Sanvordem constituency).** Hon MLA informed that the National Highway junction near Forest Rest House at Mollem is required to be beautified as the place is an entry point to the State of Goa and requires appropriate beautification. Hon. Chairperson informed that, the State Border Toll plaza is coming up in the vincinity and the beautification of the area will be taken up thereafter.

   (No action required)

4. **Management of Wildlife Sanctuary (Shri Philip Fernandes)**

   a. Rehabilitation of Villages:- Shri Philip Fernandes requested that those people willing to be rehabilitated from the Protected Area should be suitably taken care off on priority. It was informed that the residents of Protected Area have their claims pending before FSO/ Revenue Officer appointed for the purpose. Once the claims are settled the acquisition processes can commence and willing persons shall be rehabilitated as per the existing procedure. The Chairman desired that the decision on claims should be expedited and some funds for acquisition could be provided by the Government.

   (Action by – FSO)

   b. **Speed breakers at vulnerable areas prone to accident of Wildlife along National Highway 4A passing through Bhagwan Mahaveer Wildlife Sanctuary and National Park in Anmode Ghat section – (Shri Philip Fernandes):-** Shri Philip Fernandes brought out the issue of accident to wild animals on National Highway passing through Bhagwan Mahaveer National Park and Sanctuary. The issue has been further aggravated upon by erecting metallic road guard along both sides of Highway, leaving access/ exist to wild animals at gaps between these road guards.

Cont.....4

113/C

Shri Phillip Fernandes informed that a joint inspection of the section of NH4A consisting of officials of PWD. NH, Forest Department local Sarpanch, Mamlatdar of Dharbandora was carried out for the purpose. The PWD office has informed vide letter dated 11/01/2013 of Superintending Engineer, that erecting speed breaker is not permissible on National Highway as per guidelines. The Chairman informed that speed breakers have been erected at various points on National Highway and the matter be put up to the Government for decision.

(Action --- Forest Department)

c. **Goa as a part of Tiger Reserve – (Shri Philip Fernandes and Shri Nirmal U. Kulkarni):-** The proposal of making a tiger reserve was put up by Shri Philip Fernandes and Shri Nirmal Kulkarni. Hon. Chairman desired that a comprehensive study of the area by expert and experienced agency would be proposed to study the feasibility of tiger in the area of the State. Once their report is received, the same could be discussed by the Board.

(No action is required)

5. **Turtle nesting sites to be transferred to Forest Departmet (Shri Nirmal Kulkarni):-** The coastal areas in Galgibag and Agonda in South Goa and Morjim and Mandrem in North Goa have been sites of nesting by Olive Ridley Turtles. Forest Department has been protecting the sites with nests, round the clock during the nesting season. These Nesting Sites have popular beaches in nearby vicinity and has heavy visitations by tourist. For better managment of area, some of the members advised that these sites be given under the control of Forest Department. Hon. Chairman informed that the Galgibag site is already proposed for acquiring by the Forest Department and Sec 4 of Land Acqusition Act has been notified. The other sites could also be acquired. However, presently restrictions are put in place so that there is no disturbance to nesting by the turtles.

(No action is required)

6. **Identification and notifying all sacred groves as community/Conservation Reserves/ (Shri Nirmal U. Kulkarni)** – Hon. Forest Minister informed that Goa Bio-Diversity Board has decided to take up the study of sacred groves. Hence there was no need of taking up it again. Once a Bio-diversity Board submits its report, it can be subsequently deliberated by the Board.

(No action is required)

7. **Conservation of wetlands (Shri Abhijit Prabhu Dessai)** – The members informed that a lot of migratory birds are seen in many of the lakes in the State. Around 200 painted storks

Cont.....5

were seen staying in the State for nearly two months which is a very good sign. It was informed by Forest Department that the lakes are managed by Water Resources Department but the Forest Department does regular patrolling as well as surveillance of water birds. The Board decided that Forest Department to bring about awareness to the people around the lakes of protecting the birds.

(Action by – Forest Department)

8. **Buffer Zone of Netravali (Shri Shashikant S. Gaonkar)** – It was informed that the State has submitted its recommendations of buffer zones for Protected Areas of the State to Ministry of Environment and Forests, Government of India. Since the matter is before the Hon. Supreme Court, no discussion were held on this issue.

(No action is required)

9 **Kalapur Mangrove damage control (Shri Sandeep Arzenkar)** – Hon. Chief Minister assured that the encroachment by filling the areas of mangroves shall be stopped.

Shri Sandeep Arzenkar informed that there is lot of damage to mangroves due to filling and garbage disposal. Mangroves at Neoginagar were being destroyed for construction. The Board decided that the Collector and PWD be asked to check and remove any illegal encroachment in mangrove areas. The Chairman also informed that the proposal for Panaji Bus Stand is more than one Kms from present Panaji Bus Stand and does not have any mangroves.

(Action --- Collectors and PWD)

10. **Ghumats to be made by domestic animal skins only (Shri Sandeep Arzenkar)** – A ghumat with goat leather was demonstrated as an alternative to Ghumat made of monitor lizard. The Chairman suggested that suitable alternative ghumats of other skins of domesticated animals or artificial should be provided by Forest Department. Incase, the cost of alternative Ghumat is higher than the Forest Department should come out with a scheme to subsidise the alternative Ghumat supply. The same should be made by Forest Department much in advance before the Ganesh Festival.

(Action by -- Dy. CF (WL&ET) (N))

11. **Killing of fish by gelatin in Khandepar River (Sandeep Arzenkar)** – Shri Arzenkar informed that illegal explosive is being used for killing fish in internal rivers. He said that although it has been reduced due to tight watch it is still going on all some places. The

Cont.....6

Board decided that as control of explosives comes under the Home Department, Home Department be asked to have tight control and check the legality and use of the explosives.

(Action by -- Home Department)

12. **River affected by Mining.**

Shri Arzenkar informed the members that pebbles and rocks are being removed from river beds which should not be allowed. Since water bodies come under the Water Resources Department, the Board decided that the Water Resources be asked to keep a check on such activities.

Shri Untawale informed that due to siltation and sedimentation, islands have formed between Chorao and Diwar Island and are increasing every year. This is reducing the flow of water of Mandovi creating environmental problems. The Board decided that as the matter pertains to CRZ, the member could take it up with CRZA. The Principal Secretary (Forests) informed that the matter has been discussed at the CRZA meetings and action is being taken up by CRZA.

(Action by -- WRD)

13. **Wrongful Police case against the Forest officials** -- Shri Nirmal U. Kulkarni informed the board that cases are being wrongly filed against Forest Officials for doing their work honestly thereby demoralizing them. One such case is of Tiger killing at Keri where criminal cases have been booked against Forest officials and Forest official have to defend them at their own cost. The Board decided that the matter be taken up with the Government to review its decision and appoint advocate to defend the Forest official who have corried out their work in good faith.

(Action by -- Forest Department)

14. **Compensation for the livestock and crop damage (Shri Abhijit Prabhudessai)** – It was brought out by the member that many crops inside and outside the Sanctuary are being damaged by wild animals. Members suggested that the walls constructed are not high enough to prevent the wild animals from crossing over. The Forest Department informed that the walls are mainly constructed for demarcation and for prevention of encroachment besides preventing wild animals from crossing over.

Dr. Borkar informed that preventive measures such as walls, trenchers, solar fencing etc. has to be animal specific and informed that he was a party to project for indentifying different types of fencing to be used in Gujrat. The same could be done in Goa so that the efficient fencing could be erected. The Board asked Prof. Borkar to submit his project so

Cont.....7

that Government and Board could consider it.

(Action by -- Prof. Borkar)

15. Other Items discussed –

1. The proposal of the Forest Department for fixing entry fees to Butterfly Park as under was approved

   i) Entry fee for Adult ..... -- Rs. 20/-
   ii) Entry fee for students/Children ..... -- Rs. 10/-
   i) Still camera ..... -- Rs. 30/-
   ii) Video camera, 8mm Handy Camera ..... -- Rs. 150/-
   iii) Video Camera above 8mm for commercial Purpose/ Movie/serial shooting ..... -- Rs. 2500/-

(Action by -- Forest Department)

2. The Hon. Chairman informed that there are Waterfalls in Netravali Wildlife Sanctuary where many tourist visit. The Forest Department could think of making it a tourist attraction like Dudhsagar Waterfall so that locals could benefit from it.

(Action by -- Forest Department)

3. Electricity to Nadaguem Village:- Hon. Minister for Sports wanted that Nadaguem village should be provided with Electricity connection. The Forest Department informed that, it is not possible to lay an electronic line as the distance from nearest electric supply is more than seven Km and entire area is PA. Solar Panel has been erected at Nadaguem for supply of electricity which it not sufficient. The Board decided that additional solar panels could be erected so that the minimum requirement of electricity could be available to the residents.

(Action by -- Electricity Department)

4. Hon. Minister for sports suggested that the residents of Keri (Nadaguem) in Cotigao Wildlife Sanctuary have to walk more than 2 hours to go to school and market. Since it is in the interior, the residents could be rehabilitated. The Forest Department informed that the people were not willing for rehabilitation. In case, they are ready for rehabilitation; the same could be done by the department.

(Action by -- Forest Department)

Cont.....8

109/-

5. Awards to Civilians:- Prof. Borkar informed that many people/ organization are working for the conservation of Wildlife. Earlier Wildlife awards were granted to these people/ organization which have been stopped. He requested that the same to be revived. The Board decided that deserving people/ organization could be considered by the Forest Department for the Award.

(Action by -- Forest Department)

6. The Hon. Chairman suggested that the next meeting of the Board could be held at Netravali, Sanguem so that the members can have a look at the requirements of the people and the Wildlife Sanctuaries. The same was agreed to by the Board.

(Action by -- Forest Department)

The meeting ended with thanks to the chair.

Action taken report of NTCA on death of a tigress and 3 cubs inside the Mhadei Wildlife Sanctuary near Golavali village, Sattari Taluka, North Goa

The Action taken report of NTCA is as under.

1. As part of All India Tiger Estimation (AITE) – 2018, the Goa Forest Department had carried out sign survey activities (phase I) in the month of May, 2018 in potential tiger bearing areas including Mhadei Wildlife Sanctuary (MWS). The survey had confirmed the presence of tigers in MWS.
2. On 20th December, 2019, a cow belonging to Vitho Zip Pawane was killed by a tiger of Mhadei Wildlife Sanctuary. This incident of cattle depredation by tiger was reported by Vitho to the forest officials of MWS and a claim for compensation was filed. Subsequently, a buffalo cow of Malo Nago Pawane was killed by tiger on 30th December, 2019 in the Valpoi Territorial division (adjoining to MWS) area but the information about this incident was not conveyed to the forest officials of MWS. After learning about cattle depredation, the forest officials of the sanctuary had installed camera traps on 1st January, 2020 to observe the movement of tigers.
3. On 5th January, 2020, the villagers of Golavali noticed the carcass of a tiger carcass (Tiger - 1) inside the sanctuary. The information about a tiger carcass by these villagers to forest officials. Preliminary examination revealed that the carcass was that of a sub adult male tiger, approximately 2-4 years old and death might have taken place 4-6 days ago. The carcass was putrefied and maggot infestation was observed was all over the body.
4. As soon as the news of tiger death inside MWS was received by the Inspector General of Forests, NTCA, Regional office, Bengaluru, got in touch with the APCCF & CWLW, Goa and apprised him about the provisions of Standard Operating Procedure (SOP) of NTCA and requested for its compliance. Further, Shri Vittal Shelke of Vivekananda Environmental Awareness Brigade, Goa, was nominated as representative of NTCA for post mortem examination of tiger carcass.
5. On 6th January, post mortem of tiger carcass was done with the assistance of Dr Madhura Naik, private veterinary doctor and Dr Harsh, the local government veterinary doctor. During post mortem examination, it was observed that as many as 16 claws were found missing from the carcass. Visceral samples like body fluids and other internal organs could not be collected due to putrefaction of the carcass. Metal detector was also used to rule out the possibility of tiger death due to gunshot. During the post mortem and subsequent disposal of carcass by burning, the APCCF & CWLW, Goa, Shri Vikas Desai, DCF (North Goa Wildlife Division), Shri Kuldeep Sharma, DCF (Territorial division) and Shri Vittal Shelke, NTCA representative were present.
6. On 6th January, 2020, 3 groups having around 10 staff in each group, from both territorial and wildlife division were formed for conducting combing in three different direction up to a distance of 1.5 km from the location of tiger carcass. During combing operation, fresh pugmarks of tiger was noticed approximately 500 meter to the north of incident site but evidence regarding bullets or poisoning was obtained.
7. A closer examination of the site where buffalo cow was killed by the tiger was carried out in the afternoon by another group of forest officials. Combing of the sanctuary by 3 groups continued on 7th January.
8. During search operation, the Investigating Officer (IO) received information from one of the combing team that foul smell was coming a small nalah located approximately 250 meter (aerial distance) from the house of Malo Pawane, one of the suspects. A thorough search of the nalah area resulted in detection of a tiger carcass on the bank of perennial nala. While returning back, just by the side of nalah bed, a place disturbed by digging and soil work was observed by the officials. Upon closer examination, with the help of 'dog squad' from Police Department, the movement of culprits responsible for tiger deaths was trased out
9. Another team comprising of forest staff, veterinary doctors reached the nalah where tiger carcass was detected the other day and also exhumed the buried tiger carcass (Tiger - 2). The post mortem was conducted by Dr Loveleen Vaz ,Bondla zoo veterinary officer and Dr Harsh. PCCF, CWLW, Goa and DCF (Wildlife) were present during the post mortem examination. According to doctors, the carcass was that of tiger and approximate age may be 3-4 years and all body parts were found to be intact. Samples were collected from lung, liver, intestine, spleen, kidney, bone marrow, skin with fur for further forensic/ toxicological analysis. After post mortem, the carcass was disposed by burning.

Nilesh Vaz
31/1/2020

10. Continued combing activities had unearthed another tiger carcass (Tiger - 3) approximately 60-65 meters from the location of T2. The tiger carcass was found in a sitting posture below a tree close to the water stream. Area surrounding the carcass location was searched for presence of other evidences. The stomach portion of the carcass was completely decomposed and maggots were found. The veterinary doctors (Dr Loveleen Vaz ,Bondla zoo veterinary officer and Dr Harsh) conducted post mortem examination and samples of molar teeth, canines, skin with furn and fur muscles were collected for forensic examination. Due to advance stage of putrefaction, visceral samples could not be collected. After completing PM examination, the carcass was disposed by burning in presence of forest officials.
11. Four tiger carcass (one female & three cubs) were detected during the period 05.01.2020 to 07.01.2020 in the area of Madhei Wildlife Sanctuary near Golavali village, Goa. In this regard, a team has been constituted by NTCA comprising of Shri Rajendra G. Garawad, AIGF, NTCA, Regional Office, Bengaluru and Regional Deputy Director (RDD), Wildlife Crime Control Bureau, Western Region, Mumbai for detail inquiry into the cause of tiger death, to ensure compliance of SOPs of NTCA dealing with tiger death and disposal of tiger / leopard carcass / body parts and to suggest the further legal course of action as mandated under Wildlife (Protection) Act, 1972 and SOP of NTCA.
12. The team carried out the field inspection / site appraisal of the area on 10th & 11th January, 2020 and held discussions with the field officials. The team has submitted the site appraisal report to NTCA Hqrs. As per this report, the brief points pertaining to tigers death are as under:
    - It is a case of tiger deaths because of poisoning of buffalo carcass by villagers leaving inside the Madhei sanctuary.
    - All those (dhunder community members) involved in poisoning of buffalo carcass have been arrested and Forest Department had taken their custody remand initially for 2 days which was later extended to another 7 days by the JFMC, Valpoi and eventually they got conditional bail.
    - The investigation revealed that the carcass was poisoned for taking revenge against the loss of milch cows and not with the objective of trade in tiger skin or body parts. NTCA team had held extensive discussion with forest officials of WLS to understand the circumstances leading to death of tiger and has also given inputs to the Investigating officer (IO) of the case regarding recording of accused statements, preparation of offence report, and collection of evidence.
13. Subsequently on 17th January, the JMFC had released all the accused on conditional bail. However, the investigation was continued for recovering the claws missing from the carcass of Tiger – 1. Based on the suspicion, the IO had summoned suspects for further enquiry but on 20th January, the Investigating Officer received information that a package containing tiger claws has been found in a temple premise in Golavali village. The sniffer dogs from Police Department were called in and the dogs could identify the spot where the claws were buried in the ground. The IO has seized all the 16 claws and further investigation is continuing.
14. Preliminary investigation by the Goa Forest Department reveals that all the four tigers had died to consumption of poisoned buffalo cow meat. As per the statements of the accused they poisoned the cow buffalo for taking revenge against the loss of their milch cows and buffaloes.
15. After receiving information of first tiger death, teams were formed for extensive combing of the sanctuary area. Investigating officer was appointed for conducting investigation of the case. All four tiger carcasses were recovered and post mortem was conducted as per NTCA SOP. All those involved in poisoning of buffalo carcass which led to death of four tigers have been arrested. The accused were initially taken into forest custody for two days which was further extended to 7 days by JMFC. Proper search of accused premises has been done and materials used for committing crime like poison bottle, pick axe, spade etc have been recovered and seized. Confession statements of all the accused have been taken as per procedure and in presence of independent witness. Sniffer dogs from Police Department were engaged for investigation. Missing claws of Tiger 1 have been recovered.
16. As per the details available and information received from senior forest officials and NTCA representative (nominated for PM examination), SOP of NTCA for tiger death and disposal of body parts was complied with. The concerned Forest Authorities have been informed to submit final report of these tiger deaths to NTCA on priority basis.
17. The IGF, NTCA, RO, Bengaluru has also carried out a supervisory visit to facilitate / assist the State Forest Authorities during 26th to 28th January 2020 for improvement of protection, monitoring systems and

31/1/2020

10/c

information flow. He has submitted his report to NTCA Hqrs, New Delhi. As per this report, the following steps have been suggested in this regard:

- Strictly follow the SOPs issued by NTCA in respect of matters involving Tigers and Leopards as they are applicable across the States and landscapes.
- Strengthen protection network by establishing APCs at strategic points and the present system of field staff (FG level) staying in the nearby villages to be discontinued gradually.
- The issue of settlement of rights needs to be prioritized by the State government. Section 26 (b) notification is issued only in respect of 44.27 sq km of Madei WLS on 3rd June 1999, while the remaining 164.21 sq km is still under the 18 (1) notification only. Unless the rights are settled on priority, the human tiger conflict & encroachments might see an increase in the future. In the absence of the settlement, staffs are not aware of the boundaries especially abutting the villages which is serious matter.
- Even though, M-STrIPES has been used during AITE 2018, it is not in regular use. This should be implemented in tiger bearing area for improving the patrolling intensity in the sensitive wildlife Protected Areas. Time tested communication system in forest department and more specifically in the wildlife areas has been wireless communication. It is totally defunct and steps are required to restore the same and provide connectivity to strategic locations.
- Any PA has to be managed on the basis of approved Management Plan. **Mhadei WLS has been managed for two decades without a management plan**. The process initiated recently for writing and approving management plan needs to be completed at the earliest & on priority. Necessary assistance, if required, can be provided from WII & NTCA.
- AITE must be done as prescribed by NTCA from time to time. Camera Traps needs to be procured, which are now in short supply.
- The State Government may consider posting full time veterinary officers in PAs of Goa on deputation basis. Such vets can be trained and oriented towards wildlife by NTCA & WII.
- Forest Rights claims needs to be settled on priority basis. Training in SOPs and M-STrIPES needs to be done for the staff of PAs of Goa by NTCA.
- In any situation of man animal conflict, timely payment of ex-gratia, outreach to the victim/ victim's family and constant healthy dialogue with the local people is a prerequisite. The present system of paying ex-gratia in cases of wildlife depredation may be reviewed to make it more responsive and if required make immediate spot part payments pending final payment as practiced in some states. The Eco Development Committees may be renewed as they will be of great help in handling this sensitive issue of conflict and reduction in retaliatory killings. As the mining activity has totally stopped in Goa, the job opportunities of the locals around these mining areas have disappeared and therefore, any threat to their economic security might lead to retaliatory killings.
- The pending proposal for declaration of Tiger Reserve in Goa, needs to be revisited in the light of the observations of the State Board for Wildlife and taken up again before the Board. Goa is strategically situated and connected to the Bhimgad WLS and Kali Tiger Reserve of Karnataka. In the light of this, Goa needs to speed up the process of notifying Mhadei Wildlife Sanctuary as a Tiger Reserve. NTCA shall provide the requisite / necessary assistance in this regard to the Forest Department, Goa.

CGO complex, Lodhi Road, New Delhi.

Sub:-Action taken report
Ref:- D.O. No. 1-7/2009-NTCA dated 26th March, 2021

Sir,

With reference to subject and letter cited above, it is to inform that the Wildlife & Eco-tourism divisions, Goa Forest Department have been taken various steps to intensify the patrolling and strengthening the intelligence network within the PA's of Goa State. The detail includes-

1. Anti-poaching camps were constructed at Golaluli, Codal, Assodem, Surla, Pali in Madei wildlife sanctuary and they are continuously manned by the field staff.
2. Constructed watch tower at Surla to have a vigil of the whole area.
3. Revival of wireless communication system to ensure connectivity in the sanctuary premise.
4. Creation of patrolling teams by engaging tiger trackers to continuously monitor the area over day and night.
5. Creation of water holes and filling them during dry season to ensure continuous availability of drinking water to wild animals.
6. Intense monitoring of tiger movement by installing camera traps, by analyzing indirect signs.
7. Intense patrolling and combing operations have been carried out to control illegal activities, removal of snares and any other threats to tiger and other wild animals.

This is for favour of information, please.

ANNEXURE P-16

NOTE

Sub: - Declaration of Tiger Reserve in Goa – reg…

The Deputy Inspector General, National Tiger Conservation Authority (NTCA), New Delhi vide letter no. I-12/2013-NTCA dated 29.09.2022 (pg 122/C) has requested to initiate the process of Declaration of Tiger Reserve in Goa.

2. The State of Goa is the smallest state of the country, yet it shows high diversity of species including endemic species, habitats and eco-systems. The forests of Goa are located in the Western Ghats adjoining to the south western part of Maharashtra and north western part of Karnataka State adjoining Kali Tiger Reserve. There is high degree of bio-diversity in the forests due to variation in the altitude, aspects, soil characteristics, slope etc.

3. There are five wildlife sanctuaries and one national park all along the eastern part of Goa. The total forest cover of the state is 2244 Sq. Km. which is 60.62% of the geographical area of Goa out of which about 20.42% of area is under Protected Area network as per the India State of Forest Report, 2021. The six Protected Areas in the Western Ghats form a contiguous forested landscape along with the Kali Tiger Reserve of Karnataka on their eastern boundary.

4. As per the NTCA Tiger Census report-2018, 03 tigers were present in Goa and 05 tigers were present in Goa as per the NTCA Tiger Census report-2014. Our PAs form an important landscape

with Kali Tiger Reserve of Karnataka in the east and a critical corridor with the Sahyadris Tiger Reserve of Maharashtra in the North.

5. A similar proposal for constitution of a Tiger Reserve in the State of Goa was received earlier from National Tiger Conservation Authority (NTCA) in view of the presence of Tigers reported in the All India Tiger Estimation of Tiger in the year 2014 and the same was discussed in the 4th meeting of the State Board of Wildlife held on 16/12/2017 (pg. 134/C) and Chairman desired to furnish him details alongwith study report on socio-economic impact on locals residing in the fringe areas before discussing the same in the Board.

6. Further, during monsoon session of assembly, Hon'ble Forest Minister during discussion on Demand No. 68 (pg 146-147/C) for Grants 2022-23 of Forest Department made following statement "their territory are big. But our effort should be there to ascertain tiger corridor.

We have taken meeting to assess corridor of the Tiger and directed them to capture it using camera trap. We have taken it on our self. We got fine forest officials in the Forest Department who will see that such type of ecosystem will be created so that Tiger stays in said area. We have to create such ecosystem which include grazing land, Chitals, and whatever other things required like other sanctuary have to be done. Therefore, we have taken two-person on boarding. One Mr. Luthra, higher ranking Officials who served for Karnataka Government and other Mr.

Raman, Retd. Official of Madhya Pradesh Cadre, who will tell us how we have to move forward in professional manner. There should be co-existence between Forest Department and local people. Benefits has to be given to the community/locals".

7. In view of the above mentioned facts and decision of State Board for Wildlife during the meeting held on 16th December, 2017 (pg 134/C), it is for kind consideration that following studies may be carried out through an expert organization/institution like Wildlife Institute of India, a premier Institution of MOEF&CC, GoI.

   i) To ascertain movement/presence of tiger in Goa including their tentative numbers.

   ii) To study the route/corridors followed by the tigers throughout Goa.

   iii) To carry out study on socio economic impact on local communities/Tribals/Other Forest Dwellers (OFD) living in and around Protected Areas in Goa which may be considered for declaration as Tiger Reserve/corridor.

ANNEXURE P-18

Minutes of the meeting of State Board for Wildlife, Goa [SBWL] held on 12th July, 2023 under the Chairmanship of Hon'ble Chief Minister at Conference Room, 3rd Floor, Mantralaya, Secretariat, Porvorim, Goa

List of participants is at **Annexure**.

2. At the outset while welcoming all present, the Chairman asked Chief Wildlife Warden [CWLW], Member Secretary of SBWL [MS] to initiate the proceedings. MS briefly explained the agenda points and related details, which were shared earlier with the Members along with meeting notice. Subsequently, on request of MS, the Members of newly constituted SBWL introduced themselves. Thereafter, the agenda was discussed as under:

3. **AGENDA**

A. Agenda Item No.1: Proposal of Water Resources Department for construction of dam at Charavane village, Sattari Taluka in Madei Wildlife Sanctuary

i. CWLW informed the Board that the proposal was received in March, 2008 from Chief Engineer [CE], Water Resource Department, Government of Goa seeking forest clearance under Section 2 of the Forest (Conservation) Act, 1980 [FCA] for diversion of 9.3425 ha forest land for construction of minor irrrigation dam at Charavane in Taluka Sattari. Total area of the project is 23.015 Ha; out of which 9.3425 ha submergence area falls in Madei Wildlife Sanctuary. While examining the proposal in 2011, the Integrated Regional Office (IRO), MoEF&CC, GoI recomended the project subject to clearance from National Board for Wildlife, and requested State Government to obtain approval of NBWL for further consideration of project under FCA. In addition, some more information about the project was also sought. IRO in August 2013 informed that forest clearance proposal shall be treated as closed since additional details sought by them had not been received.

Later in 2014, the proposal was discussed during meeting of Goa SBWL during which the Board asked the Water Resource Department to explore possibility of reducing dam height so as to reduce the area under submergence or to have a series of dams instead. Since then there was no progress.

Addl. Pr. Chief Conservator of Forests &
Chief Wildlife Warden,
Panaji - Goa

ii. Chief Engineer, Water Resources Department, Govt of Goa, as the project proponent, made a presentation and briefed SBWL about the salient features of the project. A brief is presented below:

a) The village Charavane and its surrounding villages are in the foothills near Madei Wildlife Sanctuary. The proposed minor irrigation tank is located at the base of a steep gorge. The surrounding landscape around includes undulating topography with laterite formation, very high drainage co-efficient, very porous soil having less water holding capacity. These geographical features result in reduction of surface water sources /springs, which ultimately dries up during the summer months, causing acute shortage of water for the villagers.

b) To address the issues of sustainable water supply to farmers and local villagers, WRD contemplated minor irrigation project in year 2000 for Charavane, Hirve, Hirve –Khurd & Thane villages envisaging irrigation of 130 ha of land and supply of drinking water to the extent 67 ha-m. The details of direct and indirect benefits and CB ratio were explained to the Board members.

c) The Proposed project is on a non-perennial nallah, with a catchment of a fetch of about 2.5 Kms at site flowing 4.362 Sq. Kms only during monsoon. The estimated yield of catchment is 18.68 MCM; of which about 2.10 MCM (11.20 % of the yield) of water will be impounded; rest will be allowed to flow downstream.

d) The main objective is to supply water for irrigation and drinking to people in Charavane, Hirve, Hirve- khrud & Thane villages and to revive and promote agriculture, which will check outmigration from the villages and surrounding areas.

e) CE mentioned that team of IRO, Bangalore inspected the project site on 17th March, 2011 and recommended the project *subject to* clearance of the National Board for Wildlife.

f) The matter was placed before SBWL on 25th Aug, 2014 in which the Board asked project proponent to examine if height of the dam could be decreased to reduce the extent of submergence area & if series of bandhars could be considered to serve the purpose instead.

Addl. PCCF & Chief Conservator of Forests &
Chief Wildlife Warden,
Panaji - Goa

iii. CE stated that based on the observation of SBWL, both points were re-examined. He highlighted following grounds in support of the original proposal:

a. **Submission on the issue of height reduction**: Location of Minor Irrigation structure is in a rapid falling gradient and undulating topography. The ground level falls from average 540 mts to 60 mts in just 2 kms. Therefore, it is practically difficult to identify sites for alternate water harvesting. The site so selected and fixation of height of dam is done after detailed studies. He informed that as advised by the Board, storage capacity curve of dam was reworked. Maximum storage is effected at top 5 mts of the tank, which holds about 220 Ha-m of water. With reduction of two meters height of the dam, storage drops substantially by 23 % and submergence by only 0.432 ha i.e. from 9.432 ha to 9.00 Ha. This is about 4.50 %. He asserted that reduction of dam height will result in steep reduction in water storage capacity of dam defeating the purpose of project without substantially reducing the submergence area of Wildlife. Hence, it is not feasible.

b. **Submission on the issue of Series of Bandhara**: CE submitted that this measure / practice is feasible in lower reaches of river where river slopes are comparatively milder (1:1000 Mt) and width happens to be large. At the proposed site, nallah has rapid falling gradient (river slopes) as high as 1:30, and the nallah width is as less as 3.00 mts. Hence, it is not feasible to construct series of bandharas either.

iv. HCM asked project proponent to highlight the benefits of projects from forest and wildlife viewpoint. CE informed that submergence area [9.432 Ha] falls in the outer fringes of the wildlife sanctuary. Minor Irrigation tank, apart from recharging the ground water and soil moisture conservation will be a potential source of water for both humans and wild life. It will also act as a natural barrier for wildlife, which will help to check man-animal conflict as well.

v. HFM directed GFD that mitigation measures including Catchment Area Treatment plan and other measures should be worked out so as to ensure bare minimum damage to flora and fauna.

Addl. Pr. Chief Conservator of Forests &
Chief Wildlife Warden,
Panaji - Goa

vi. After detailed deliberations and careful consideration of points highlighted by CE, the Board agreed to the proposal in-principle keeping larger public interests in view and asked WRD to complete prescribed procedural formalities for obtaining Forest and Wildlife Clearance.

B. Agenda Item No. 2: To apprise SBWL status regarding declaration of Tiger Reserve in the State

i. A presentation was made to apprise the Board including chronology of events as follow:

a. Suggestions / reports received from National Tiger Conservation Authority (NTCA) in 2011, 2016, 2020 & 2022 to submit proposal for constitution of Protected Areas (PA) of the State as Tiger Reserve.

b. Eastern periphery of Goa forms a part of Western Ghats, which has been declared as PA comprising of four (4) Wildlife Sanctuaries and one (1) National Park. These are contiguous with the forest and protected areas of States of Maharashtra and Karnataka thereby giving higher level of protection to the wildlife, including apex predators.

c. The legal provisions on protection of wildlife under of the Wildlife (Protection) Act, 1972 for PAs including Wildlife Sanctuary, National Park and Tiger Reserve etc., are the same.

d. The Forest Department in coordination with neighbouring States is taking all necessary measures for monitoring, protection and conservation of tigers. A Revenue Officer cum Collector (ROC) has been appointed by the State Government under Wildlife (Protection) Act, 1972 for settlement of claims and rights of residents in the existing PAs.

e. All possible measures to protect wildlife and its habitat inside the Mhadei and other PAs is being taken by the Forest Department. For monitoring at Beat level - smallest functional unit of forest management, wildlife trekkers are engaged with Forest Guards as per requirement to combat and prevent illegal forest activities. Forest frontline staff patrols in their respective jurisdictions, day and night, to keep check on poachers and anti-social elements etc. Apart from this, protection measures, wildlife management activities such as habitat improvement, management of water holes, grassland areas, planting of indigenous fruit bearing species, removal of weed etc. are continuously being undertaken in PAs.

f. Forest Department has established patrolling camps in sanctuary areas to keep strict vigil on movements of wild animals, including apex predators across State borders.

Addl. Pr. Chief Conservator of Forests &
Chief Wildlife Warden,
Panaji - Goa

g. As per the directions of Goa State Board for Wildlife (GSBWL) in its meeting held on 16.12.2017, a study on socio-economic impacts on the local people residing within and in the fringe areas, is to be carried out before taking steps to declare Tiger Reserve. A proposal for carrying out Socio-economic survey through Wildlife Institute of India, MoEF&CC, GoI is under consideration of the Government.

h. As per NTCA guidelines including dated 16.11.2007 minimum inviolate space of 800 -1000 Sq Kms should be maintained as core or critical tiger habitat to support a viable population of tiger based on the studies conducted by Wildlife Institute of India. However, some reserves have lesser area as well. In case of Goa, total protected area including Bondla and Dr Salim Ali Bird Sanctuary is approximately 750 Sq Kms.

i. A total of 59 human habitation/villages are completely and 10 human habitation/ villages are partially inside boundary of PAs and these are homogenously distributed. Further, there is large number of villages in Eco-Sensitive Zone areas around the Protected Areas in Goa.

j. Therefore, constitution of PAs as of the State as Tiger Reserve before completing the settlement process and detailed consideration of all the relevant aspects related to socio-economic impact on local population will be premature and which may escalate the issues of man-animal conflict.

k. The Board was also informed about the PIL filed in Hon'ble HC on the matter and that after completion of hearing recently, the judgement of Hon'ble Court has been kept reserved.

ii. After presentation, the Board had a detailed deliberation including following:

a. Mr Parag Rangnekar, representative of GBCN [NGO] mentioned that rights in PAs may be settled once for all expeditiously so as to make our PAs inviolate.

b. Representative of WWF [NGO] & Shri Sujeet Dongre of CEE emphasised that to ascertain the impact of declaring TR, a socio- economic study may be carried out through an expert agency / organisation on which the Board was of the view that such a study, if so considered necessary for the purpose, may be commissioned separately with approval of the Government.

Addl. Pr. Chief Conservator of Forests &
Chief Wildlife Warden,
Panaji - Goa

c. The Chairman directed GFD to ensure required measures for protection and conservation of wildlife in Goa. He assured that funds, as per requirement, would be provided by the Government.

iii. The Board noted that legal provisions of the Wildlife (Protection) Act, 1972, with respect to protection, for PAs including Wildlife Sanctuary, National Park, and that for Tiger Reserve etc. are almost similar. Considering the existing facts and circumstances, the Board unanimously resolved that declaration of already notified PAs in Goa as Tiger Reserve - which as per NTCA guidelines should be an inviolate area - will not serve any significant purpose and neither will it be feasible in view of availability of relatively small PAs and large population living in and around these PAs.

4. **Additional agenda points discussed with the permission of Chair:**

A. **Safety & Security at Waterfalls in Goa**: CWLW informed the Board that in view of heavy rainfall in State, as a precautionary measure, entry in Protected Areas and waterfalls therein has been closed till further orders. GFD is assessing / reviewing the situation and is identifying waterfalls all across Goa in low, moderate and high-risk categories. He suggested that DRISHTI lifeguards may be deployed at all high-risk categories water falls. He further informed that large number of persons visit waterfall, number goes as high as up to 500 during the weekends, and often irresponsible tourism is observed which leads to law-and-order problems at times. Therefore, he suggested that to avoid any untoward incident police personnel may be deployed along with forest frontline staff. HCM directed that similar to Dudhasagar waterfall model, arrangements may be ensured at all waterfall after assessing the risk factor. He further directed GFD to also involve trained Nature Guides. He asserted that safety and security is of paramount importance. Alcohol should strictly be prohibited and GFD to regulate it in coordination with all concerned.

B. **Diversion of 0.8563 Ha of forest land for conversion of existing 11KV overhead Netravali feeder to 11 KV U/G cabling network emanating from 33/11 KV Vaddem substation in Sanguem constituency under jurisdiction of Electricity Department, Sub Div.-III, Sanguem-Goa**

i. CWLW informed the Board that proposal falls within Netravali Wildlife Sanctuary and accordingly the User Agency has applied for Wildlife Clearance under Wildlife (Protection)

Addl. Pr. Chief Conservator of Forests &
Chief Wildlife Warden,
Panaji, Goa

Act 1972. The proposal has already been examined and recommended by Wildlife Warden (South) and Chief Wildlife Warden of the State as per the prescribed guideline and procedure of MoEF&CC.

ii. The above proposal was forwarded to the Integrated Regional office of the Ministry of Environment, Forest & Climate Change, Bangalore for grant of forest clearance under FCA, 1980. However, it was returned stating that "since the project falls within the Netravali Wildlife Sanctuary, recommendation of concerned Board for wildlife may be obtained".

iii. MS, State Board for Wildlife further informed that MoEF&CC, GoI vide guideline dated 07.02.2023 have delegated the powers to SBWL "in matters pertaining to the underground laying of OFC, power lines up to 11 KV and drinking water supply pipelines within the right of way". Chief Wildlife Warden of the respective State is competent authority to grant permission in wildlife areas after the recommendation of State Board for Wildlife and approval of State /UT Government without these proposals being referred to for consideration of the Sanding Committee of the National Board for Wildlife.

iv. After detailed deliberations, the Board considered and recommended the proposal in larger public interest subject to terms and conditions as mentioned in the Ministry's guideline dated 7.2.2023 and mitigation measures as suggested by CWLW, Goa. The Board asked CWLW to also fix a time-frame for completing the work after taking into account all the factors / issues involved.

5. **Suggestion/ Deliberations by Members of the Board**

a. **Carrying Capacity for Eco-Tourism:** Dr Pranay Vaidya of Aranya Environment Research Organization [NGO] & Dr Parag Rangnekar of GBCN suggested that carrying capacity of Eco-tourism sites including waterfalls may be ascertained so as ensure sustainable and responsible Eco-Tourism. The Chairman asked GFD to note the suggestion for necessary action.

b. Dr Sujeet Dongre of CEE made following observations, on which Chairman asked GFD to note all the points for appropriate action:

i. Goa's hinterlands, especially the Protected Areas are witnessing incredible number of tourists who wish to visit and enjoy the nature's bounty, forests, wildlife, waterfalls and heritage sites. The monsoon is incredibly beautiful. The waterfalls, both the perennial and

Addl. Pr. Chief Conservator of Forests &
Chief Wildlife Warden,
Panaji - Goa

seasonal have become attraction points for day picnics. While, these attributes are remarkable, these needs careful management.

ii. The monsoon tourism can be a revenue model that has potential to become an alternative livelihood to the locals. The state of Goa does not have Wildlife and Eco-tourism policy in place. The Department can develop Wildlife and Eco-Tourism Policy and required management plan for its implementation.

iii. Research, training and extension are important pillars of scientific management of forests and wildlife. This aspect needs strengthening and requires in-house capacity building.

c. **Study at Grand Island**: Dr Baban Ingole of NCPOR suggested to have a Coral reef study in Grand Island and Carrying Capacity of Eco-Tourism at identified islands. The Chairman directed GFD to work closely with Dr Ingole and asked him that a proposal may be sent to GFD for appropriate action.

d. **Plastic waste:** Representative of WWF expressed concerns about plastics in sea / beaches on which the Chairman directed that Tourism Department may coordinate with Captain of Ports, Police and Forest Department for necessary action.

e. **Strengthening Rescue Infrastructure:** Mr Charan Dessai, while appreciating good work being done by GFD for rescue of wild animals, suggested that available infrastructure of both terrestrial and marine stranded animals may further be strengthened including post rescue veterinary care. Others members also supported the viewpoint. It was emphasised that at least one Veterinary Officer [VO] should be for each North and South District and one full time VO should be at Bondla Zoo to attend all such cases. HCM directed GFD to formulate a proposal for deployment of VOs, as per requirement, on contract basis.

f. **Marine Wildlife Stranding Response and Monitoring Network:** Mr Parag Rangnekar of GBCN highlighted that this Network is GFD's initiative and expressed concern over deaths of marine animals including Humpback Dolphin, Finless Porpoises and marine turtles during recent sometime. He stated that presently, we have no guidelines for marine and coastal tourism and highlighted that dolphin watching, crocodile watching should be a separate category instead of being considered as a water sports and asserted that it will be better in case GFD intervenes in matter. He inquired whether to know status of dolphins in our coastal waters can a study be commissioned for the purpose? The Chairman asked MS to note the suggestion for appropriate action.

Addl. Pr. Chief Conservator of Forests &
Chief Wildlife Warden,
Panaji, Goa

g. **Documentation of Case study of Man-Animal Conflict:** Dr. Pradeep Sarmokadam, Member Secretary of GSBB suggested that success stories related to measures taken for man-animal conflict may be studies and published. The Chairman asked Dr Pradeep to share details / proposal with GFD for appropriate action.

6. **Registration of NGOs:** The Chairman directed GFD to take necessary action to list / register NGOs and other organisations / experts who are actively working with Department for the cause of protection and conservation of forest and wildlife.

7. **Management Plan of PAs**: HFM directed GFD to ensure that management plan of all the Protected Areas is prepared at the earliest.

Meeting ended with vote of thanks to Chair.

Sub: **Stages for declaration of Tiger Reserve – reg.**

Sir,

On the website of National Tiger Conservation Authority (NTCA) the information relating to declaration of Tiger Reserve is provided for in FAQ section on the website, which is reproduced as under: -

"How are tiger reserves notified?

Tiger Reserves are notified by State Governments as per provisions of Section 38V of the Wildlife (Protection) Act, 1972 on advise of the National Tiger Conservation Authority. The following steps are involved in the notification:

(a) Proposal is obtained from the State.

(b) In-principle approval is communicated from the National Tiger Conservation Authority, soliciting detailed proposals under section 38V of the Wildlife (Protection) Act, 1972.

(c) National Tiger Conservation Authority recommends for proposal to the State after due diligence.

(d) The State Government notifies the area as a Tiger Reserve."

In this regard, we request you to confirm the stages of declaration of Tiger Reserve as mentioned in the FAQ on NTCA website or provide additional information, if required at the earliest.

Yours faithfully

ANNEXURE P-20

F. No. 1-11/2010-NTCA **Dated: 08.08.2023**

To

The Chief Wildlife Warden
Government of Goa

Sub: <u>Declaration of Tiger Reserve</u> – reg.

Ref: 1. 10/874/FD/2022-23/2273 Dt: 03/08/2023
2. PIL WRIT PETITION NO. 15/2022 dt: 24th July 2023

Sir,

Reference is invited to the letter and subject mentioned above.

The undersigned is directed to inform the chronological procedure for declaring an area as a tiger reserve as under:

I. Based on the field inputs such as the presence of tigers in the area and its importance at the landscape level either the National Tiger Conservation Authority (NTCA) issues an advisory or the States send the proposal to the NTCA for declaring an area as a Tiger Reserve.

II. The proposal received from the State Government is examined in the NTCA. "In-principle" approval is accorded in cases where the proposal is found to be incomplete with respect to core, buffer, corridor delineation, etc. In such cases, the States are requested to resubmit the complete proposal for further consideration.

III. Whereas, in such cases where the proposals are found to be complete and in order, under <u>Section 38V (1) of the Wildlife (Protection) Act, 1972, the NTCA conveys its concurrence/ approval/ recommendations for declaring the tiger reserve and the State Government on the recommendations of the Tiger Conservation Authority, notifies an area as a tiger reserve</u>.

It may be noted that the verdict of the Hon'ble High Court of Bombay at Goa vide **PIL WRIT PETITION NO. 15/2022** dt: 24th July 2023 has disposed of the petition by making the following order;

i) We direct the State Government to notify the Mhadei WLS and other areas referred to in NTCA's communications (and the plans prepared by the Goa Forest Department Officials) as a tiger reserve under Section 38-V (1) of the WLPA within three months from today;

ii) *We direct the State Government to take all steps to prepare a tiger conservation plan as contemplated by Section 38-V (3) of the WLPA and to forward the same to the NTCA within three months from notifying the Mhadei WLS and other areas as a tiger reserve;*

iii) *We direct the NTCA to render full assistance to the State Government for completing the above process and after that to expeditiously process the State Government's Tiger Conservation Plan and take a decision thereon within three months of receiving the tiger conservation plan from the State Government;*

iv) *We direct the State Government to set up anti-poaching camps at strategic locations to be staffed by forest guards, watchers, etc., in the WLS and National Parks in the State of Goa. This exercise must be completed within six months;*

v) *We direct the State Government and the Forest Department authorities to take emergent steps to ensure that there are no encroachments in the protected forest areas like WLS and National Parks pending notification of the tiger reserve, and even after that;*

vi) *We direct the State Government to determine and settle the rights and claims of the Scheduled Tribes and other forest dwellers following the law as expeditiously as possible and preferably within 12 months from today.*

For any assistance in this regard, you are requested to contact the NTCA immediately with all relevant details.

Yours sincerely,

(Md. Sajid Sultan)
Asstt. Inspector General of Forests (NTCA)
